OUR EXCLUSIVE INTERVIEW WITH IYRIC MARIAH

The Inspiring Lyric Mariah, also known as Phenixsoul on Instagram shares her story of growing up with Amniotic Band Syndrome, which kept some of her limbs from properly developing. After being the target of bullies as a child, Lyric learned to love herself in high school, eventually vowing to help others love their own differences. Lyric didn't let her disability hold her back from pursuing her dreams. In fact, she seems to be using it to fuel her fire. 'My appearance gave me a purpose and my modelling gave me a platform,' Lyric told us.
