

DDL Delusion

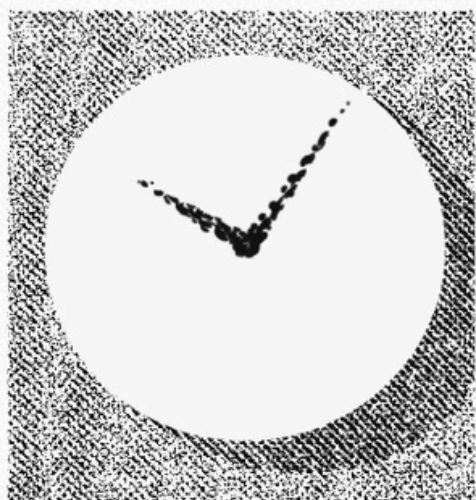

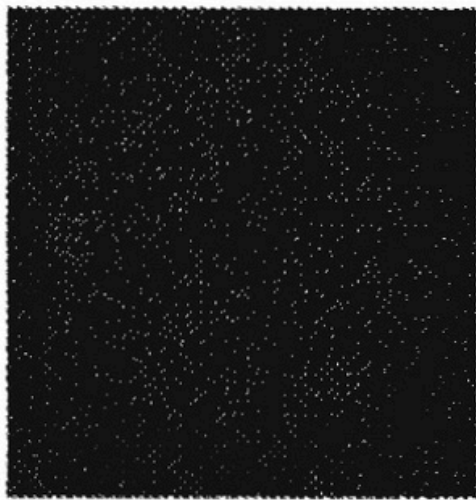

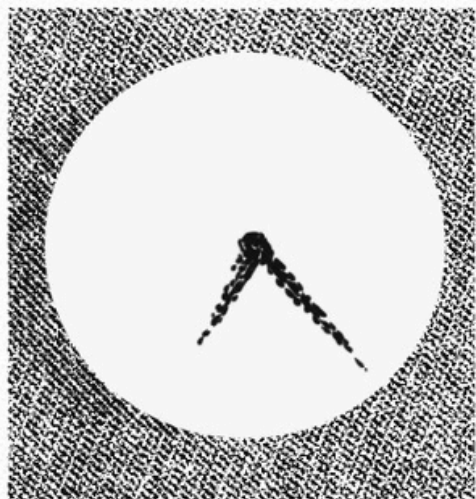

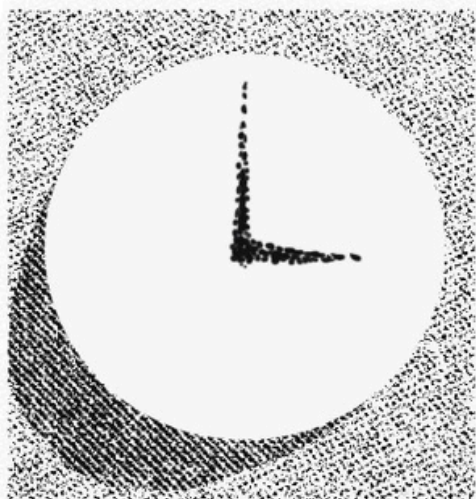

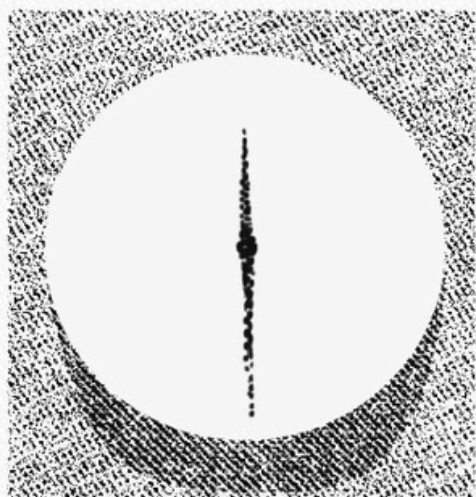

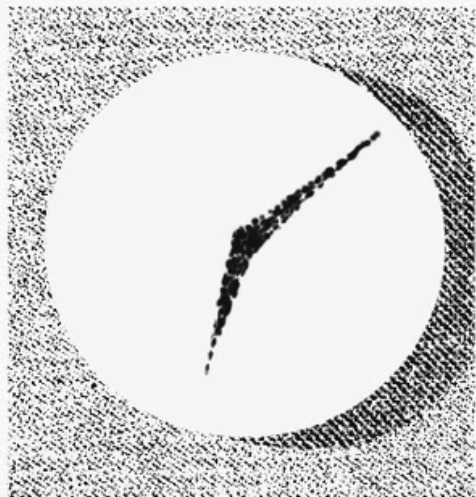

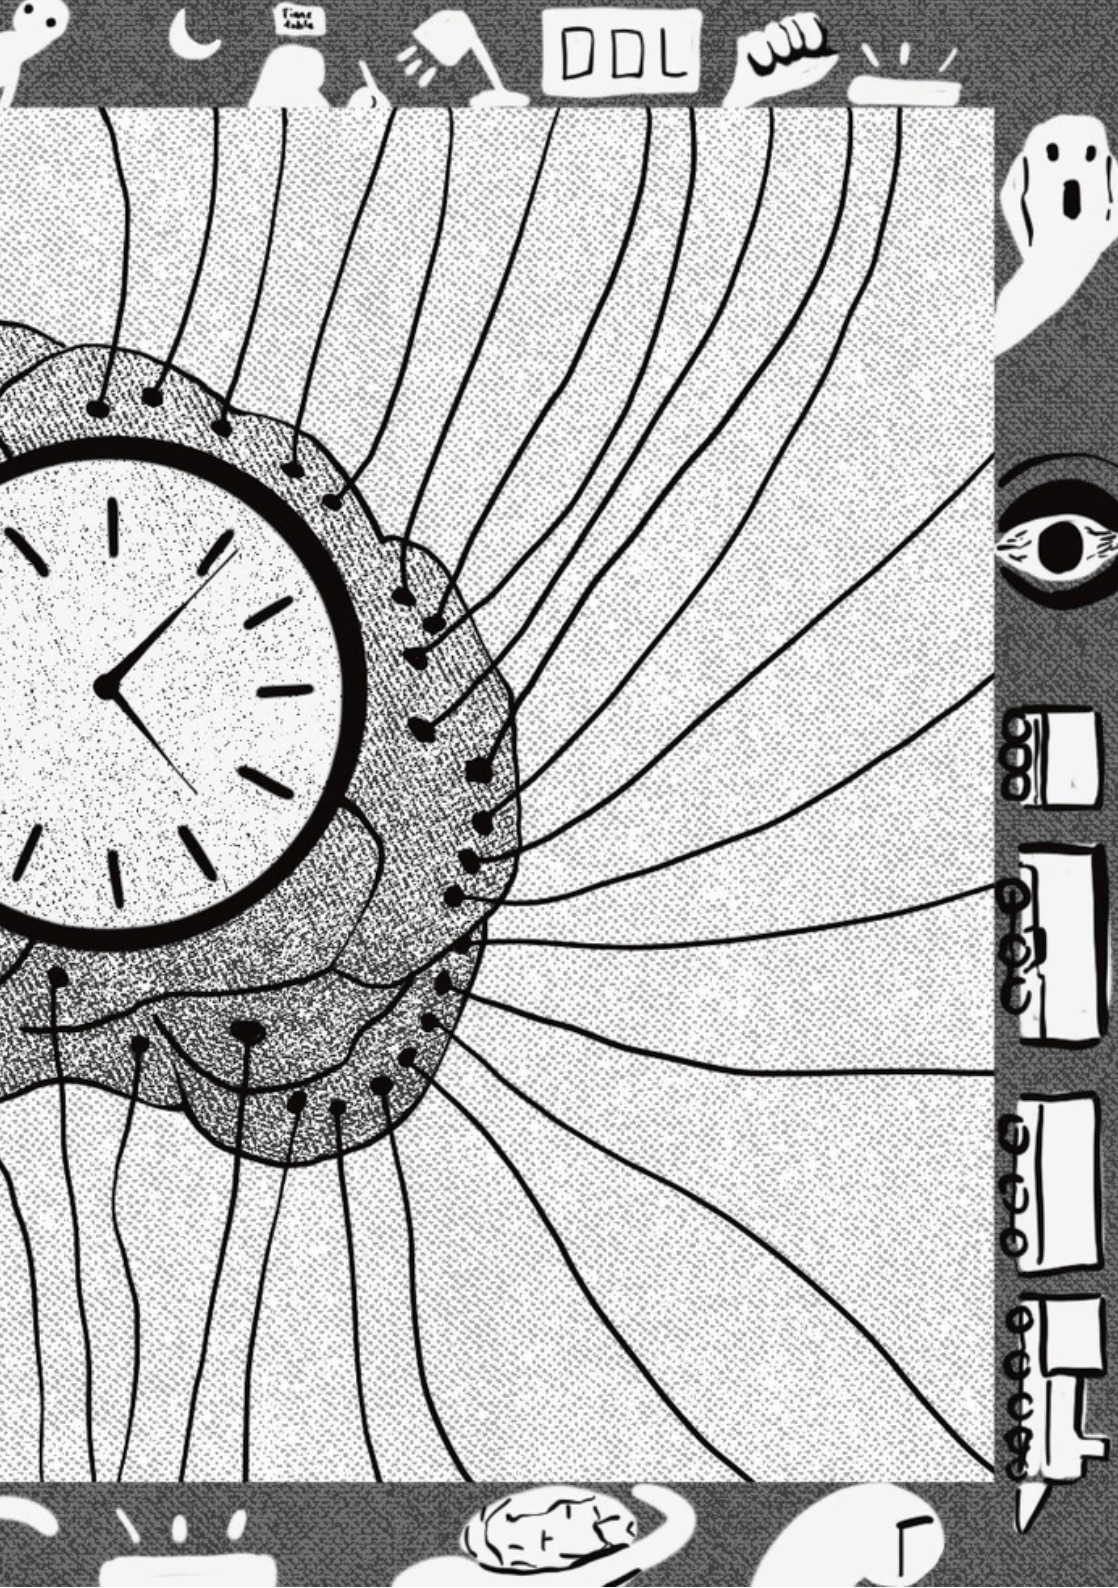

**I'm
impatient
and lack
self-control**

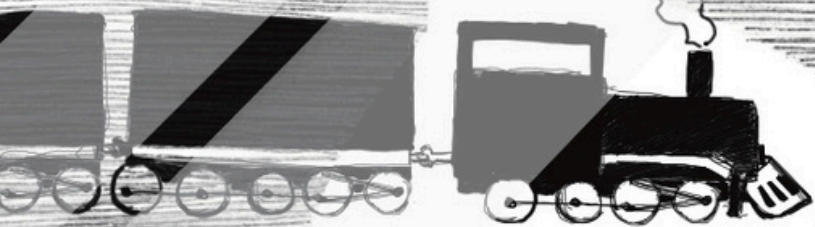

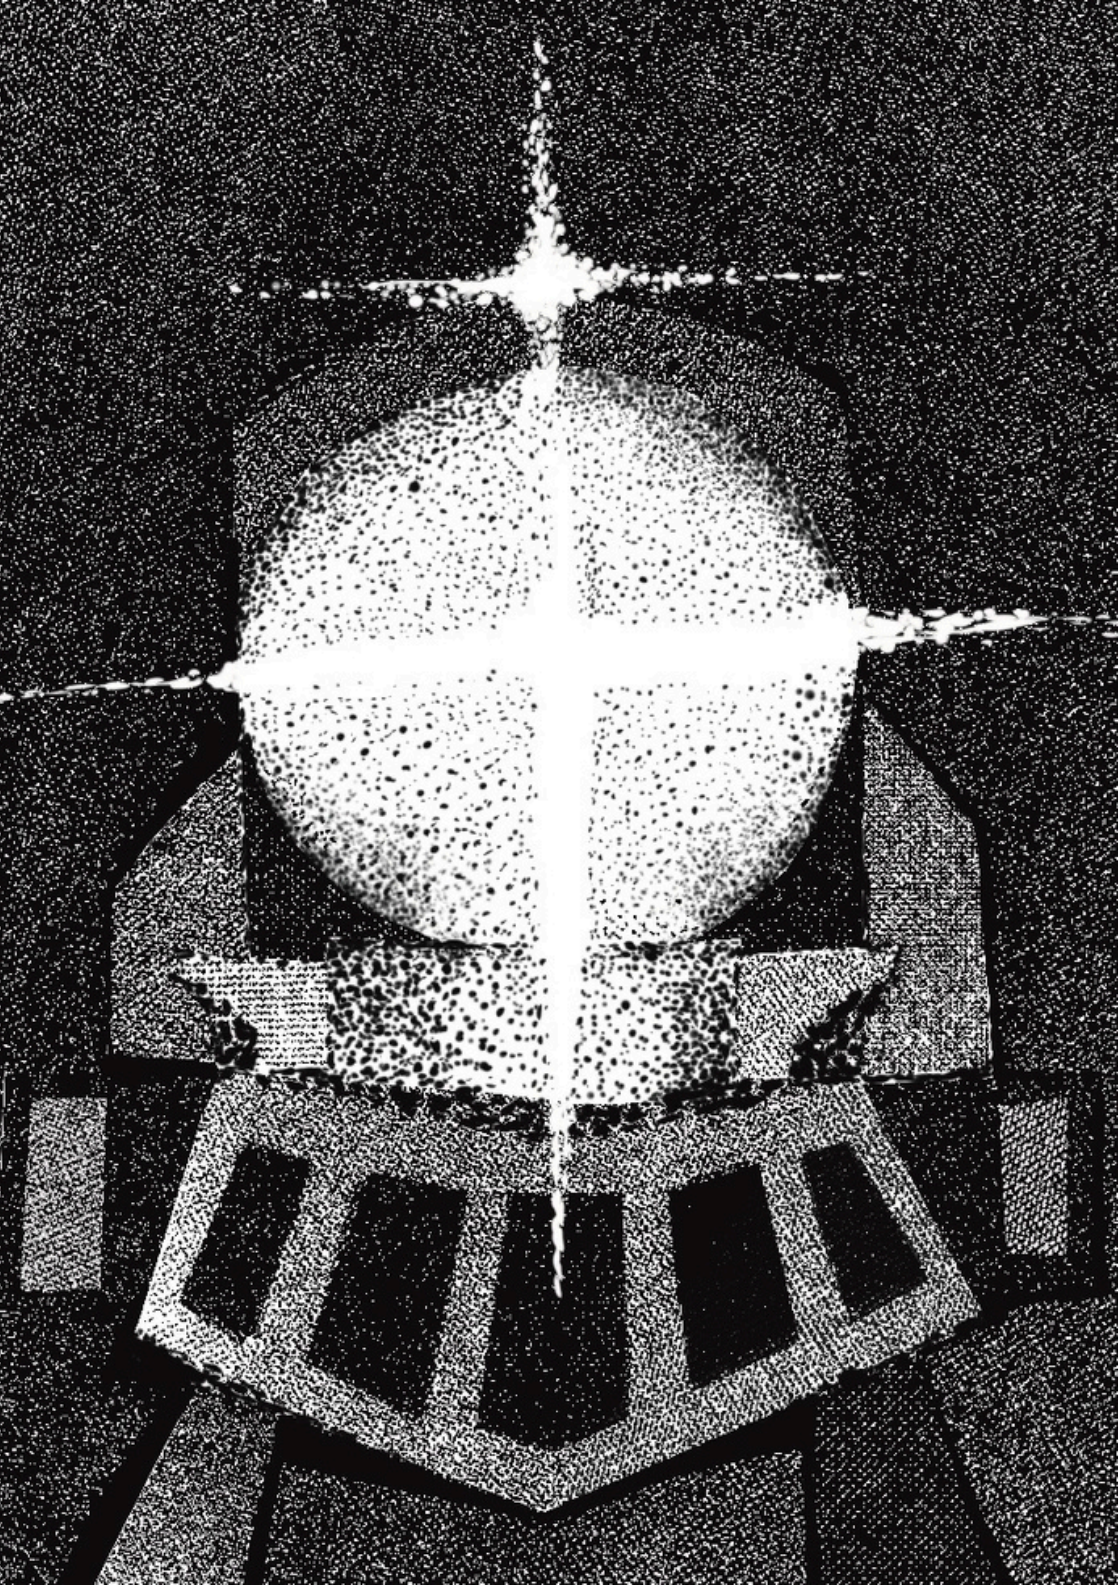

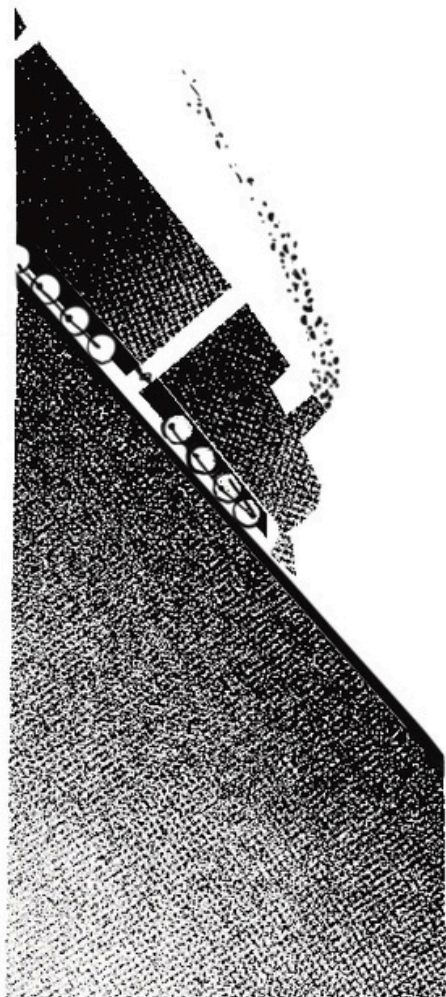

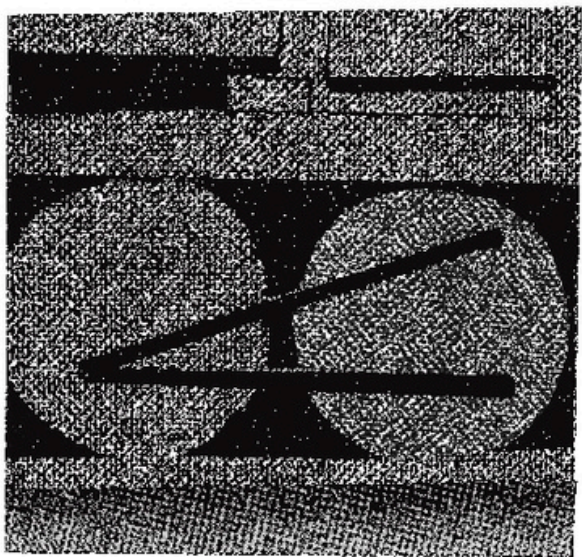

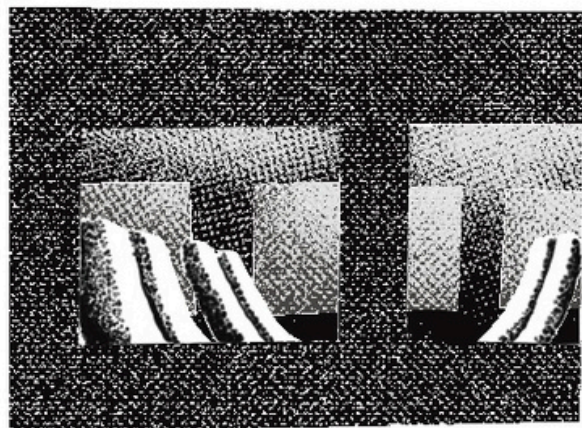

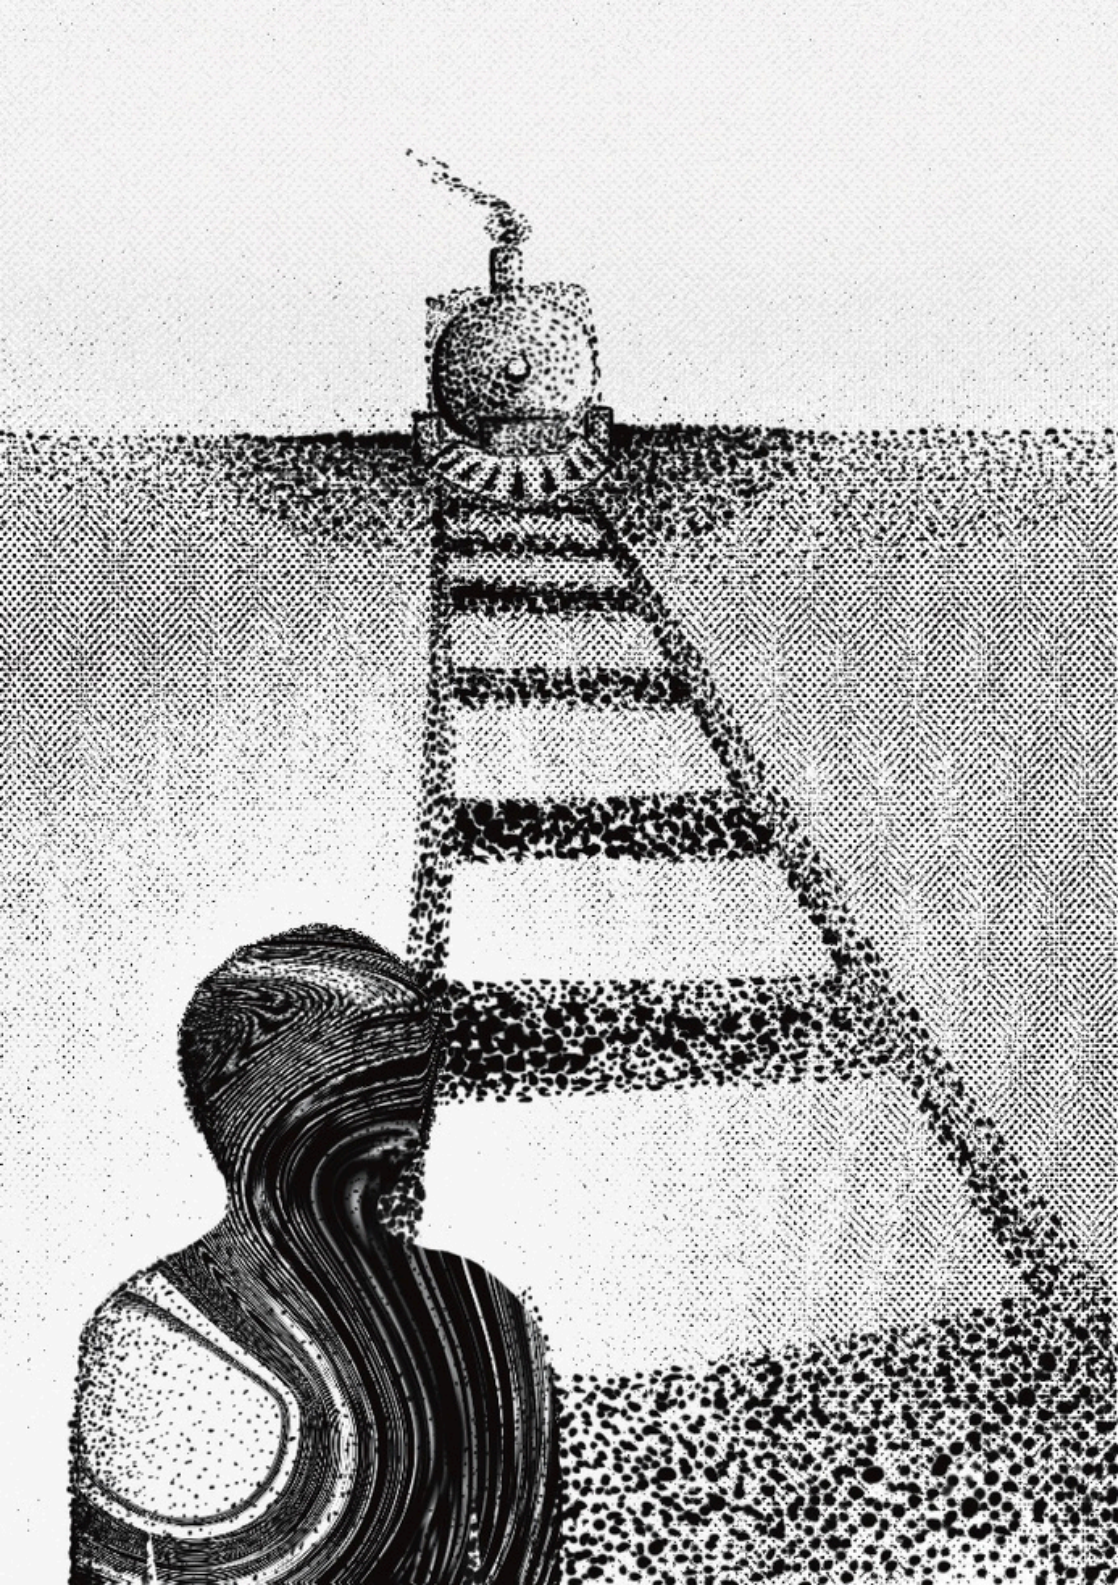

**A train with no
brakes**

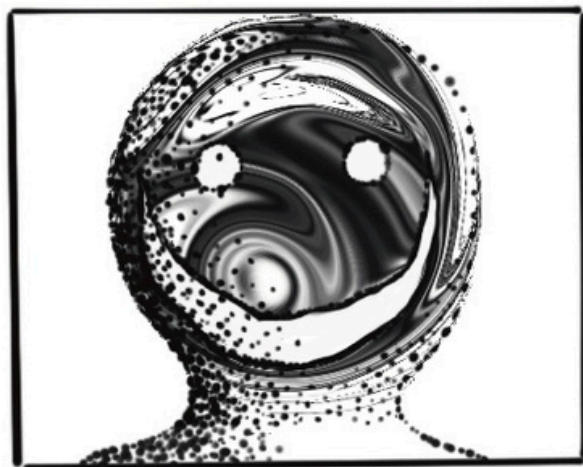

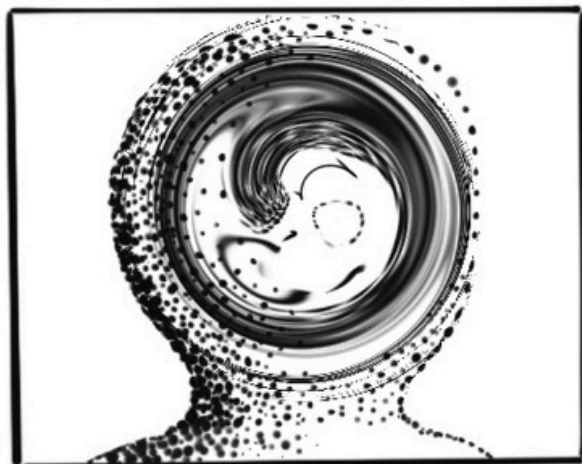

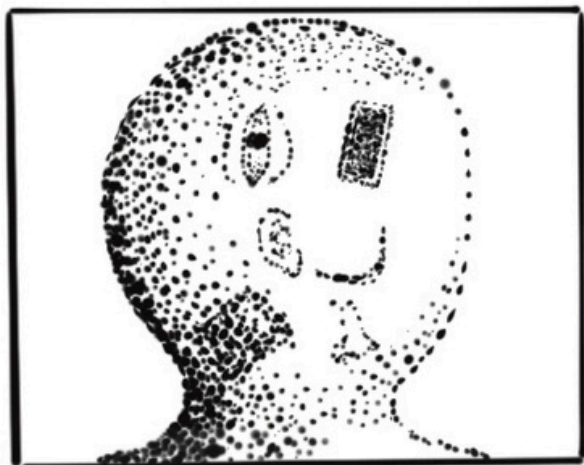

**Further and
further down
the tracks called
INDULGENCE**

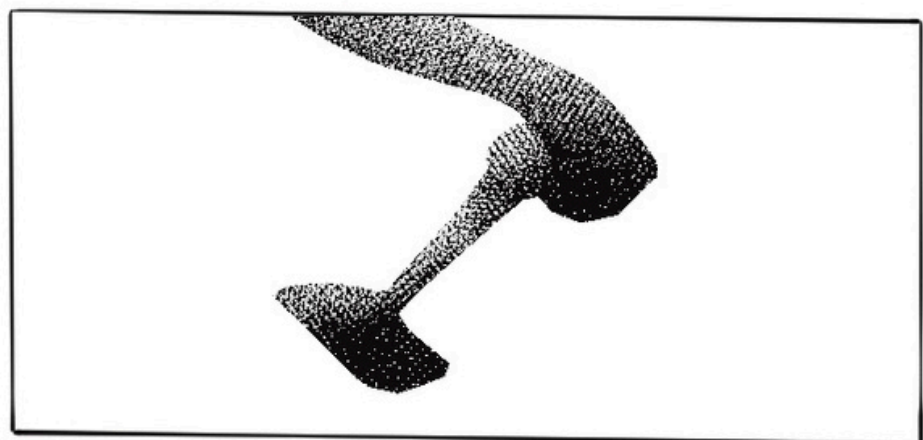

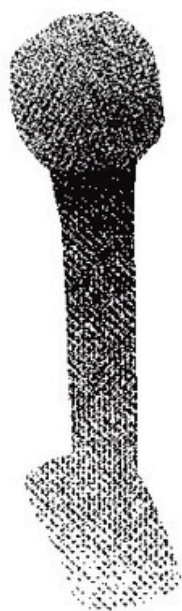

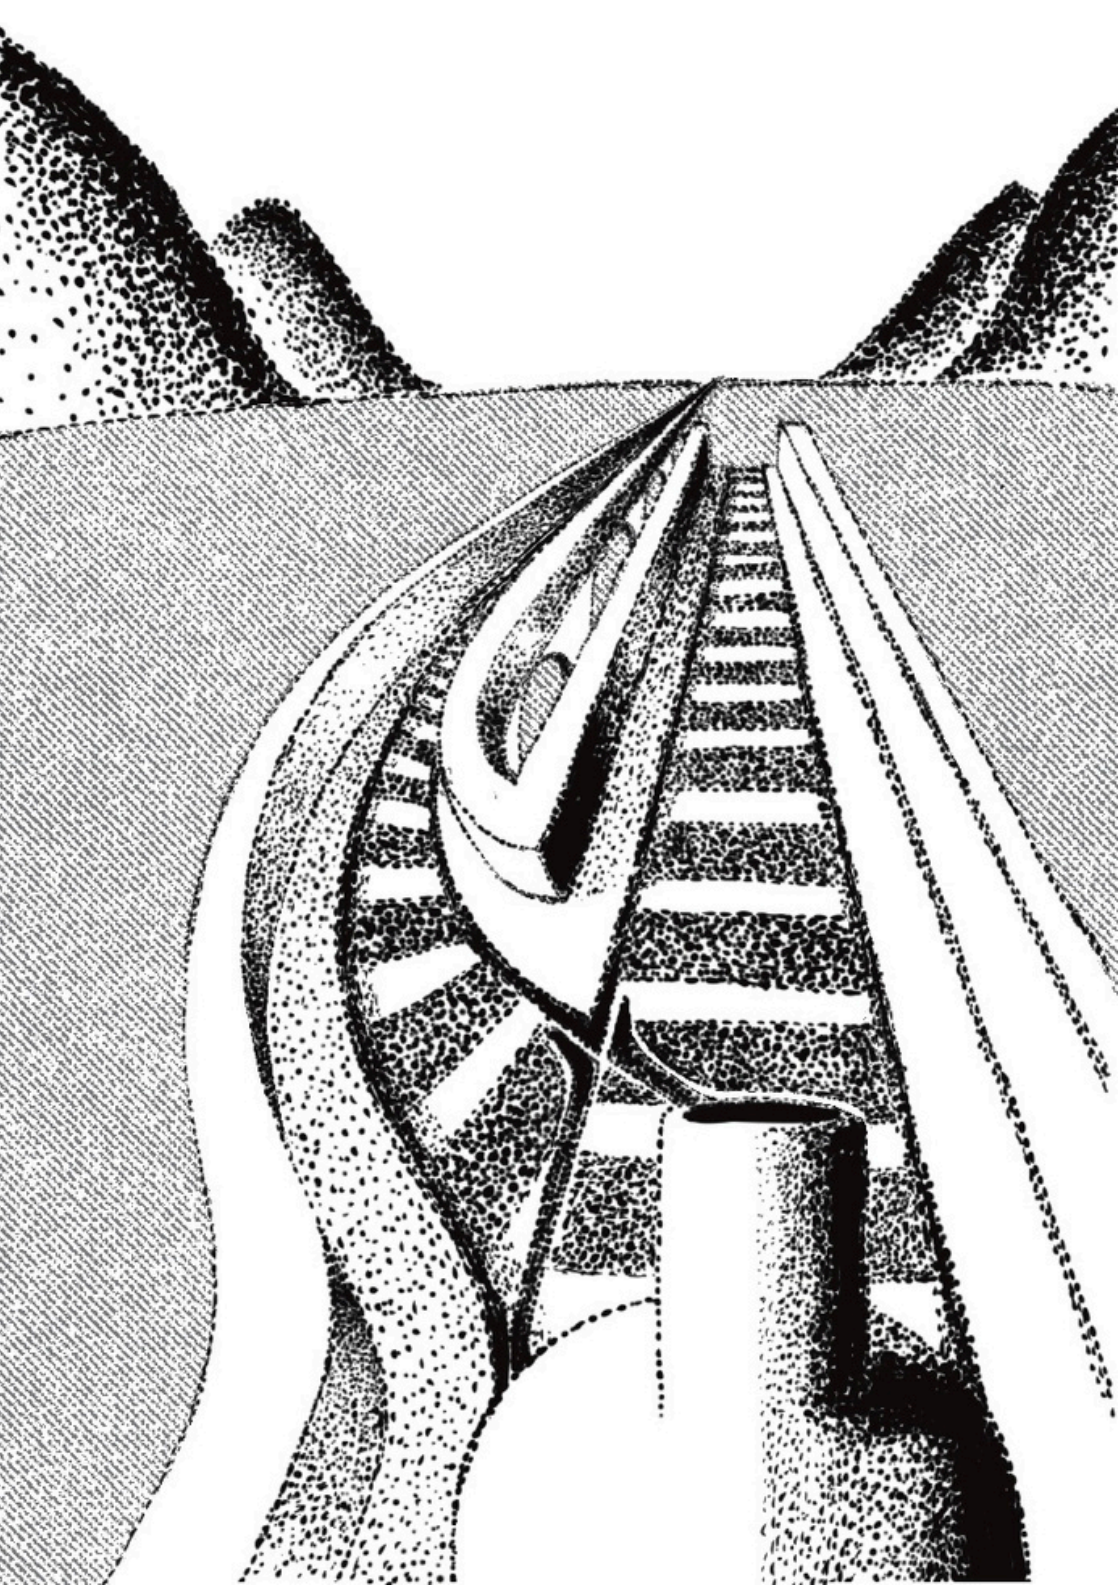

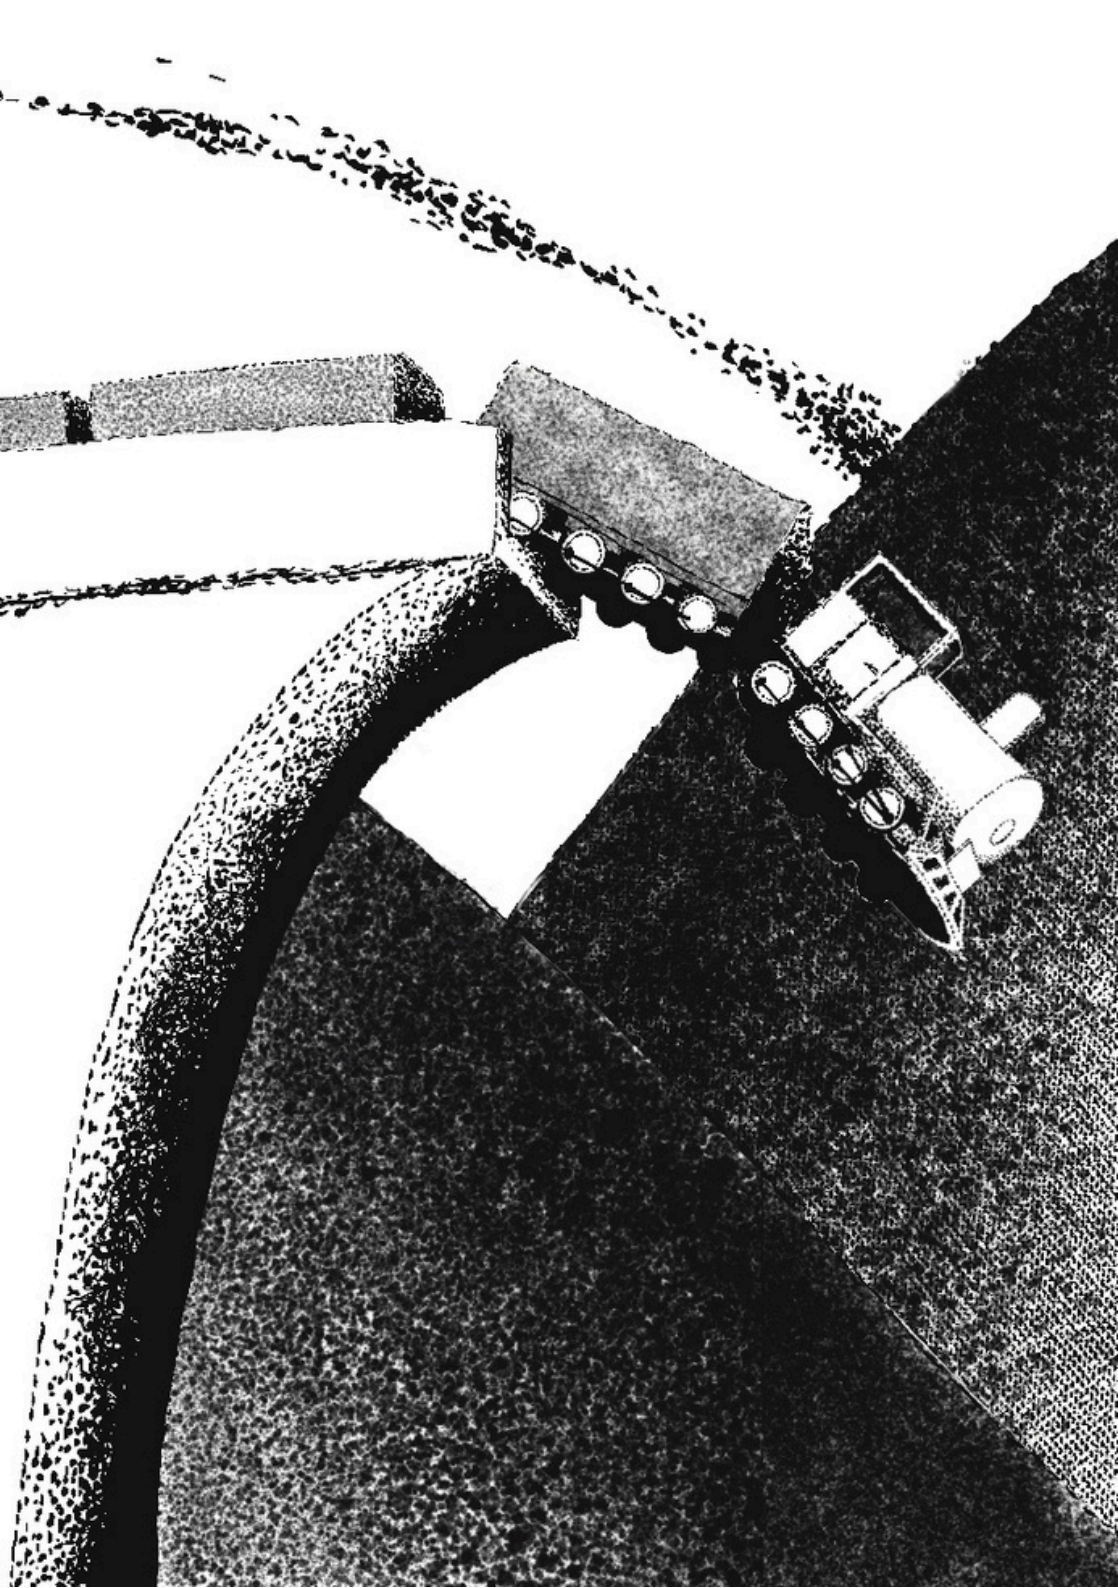

**Named Desire
it pulls down
the dispatch
lever**

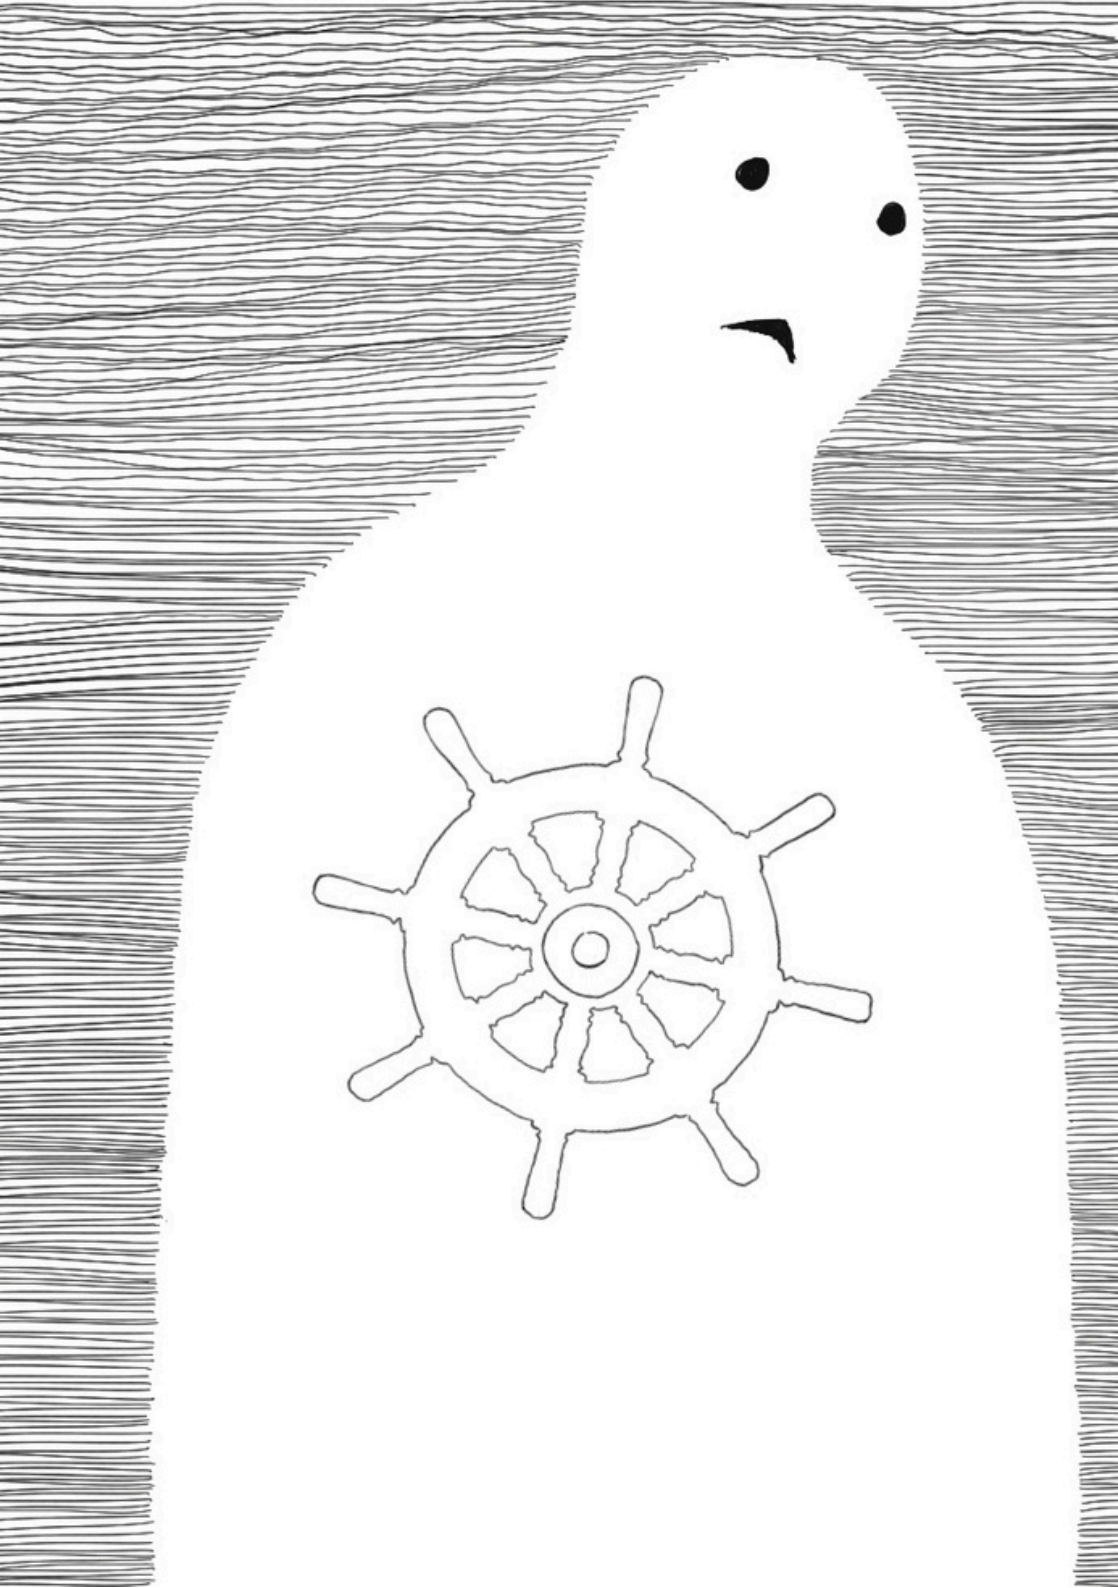

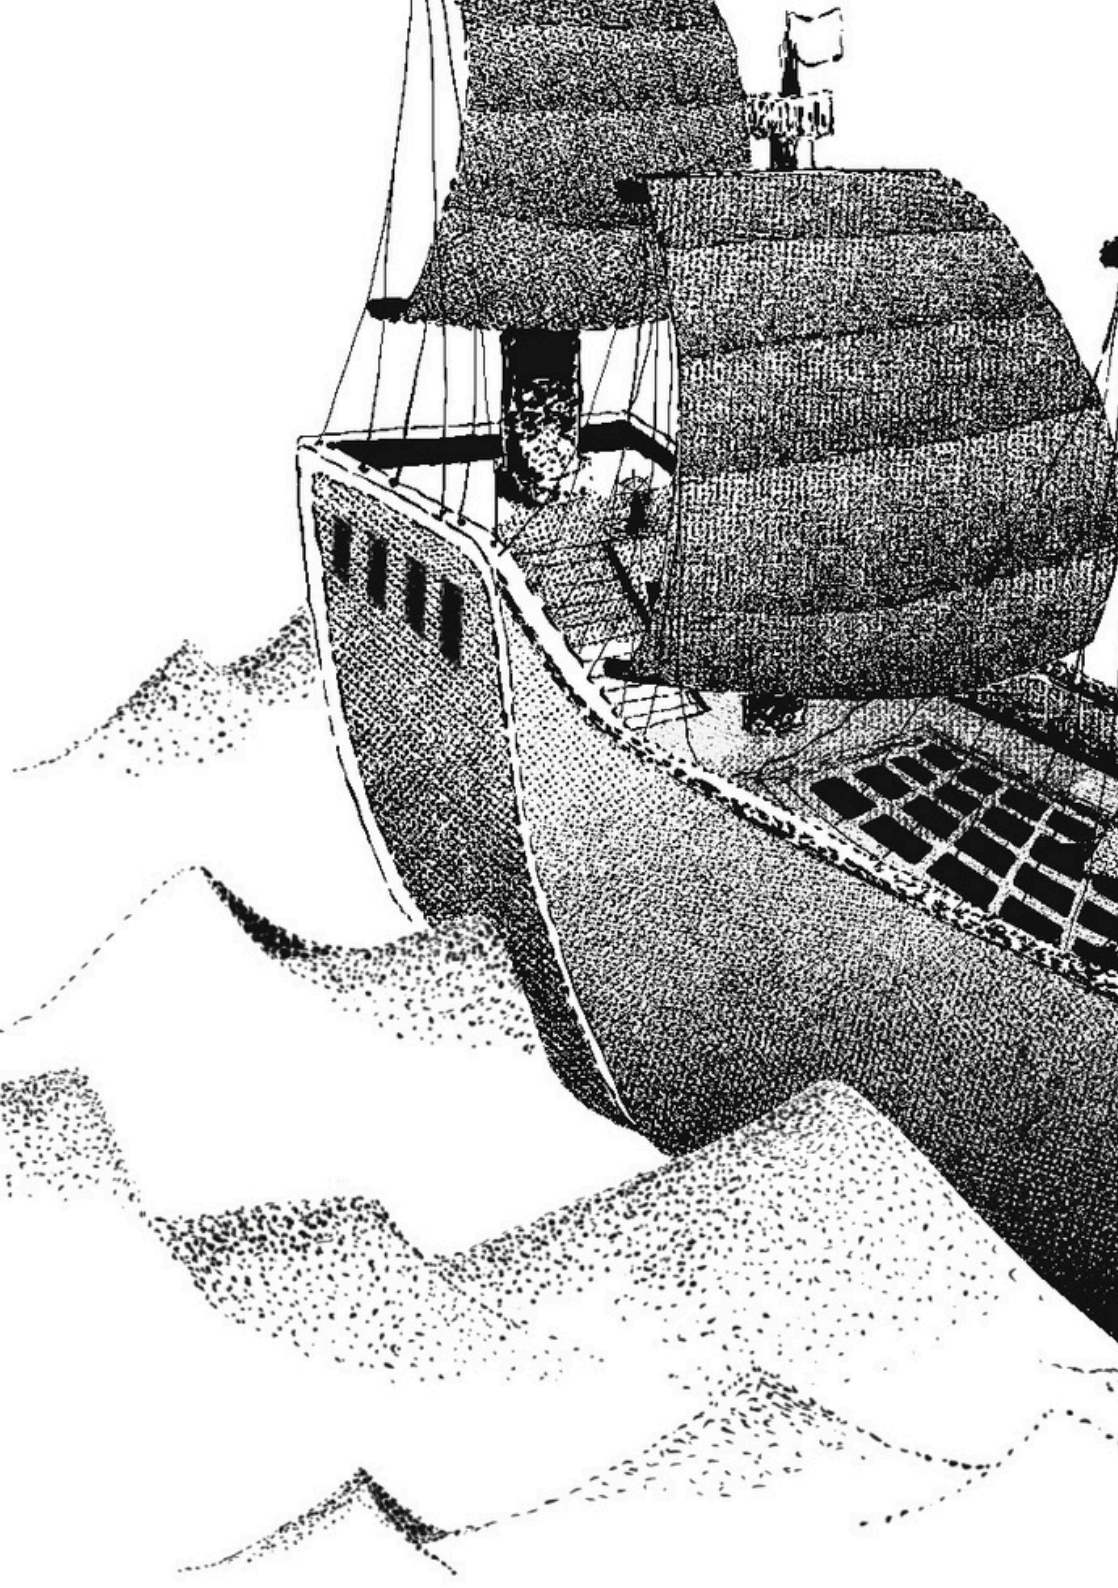

**A captain
watches
helplessly as his
ship gradually
loses its way on
the ocean.**

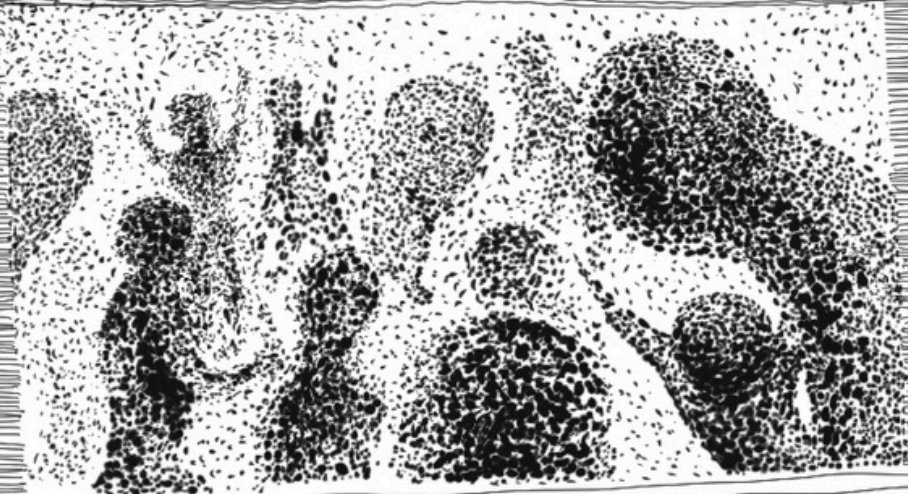

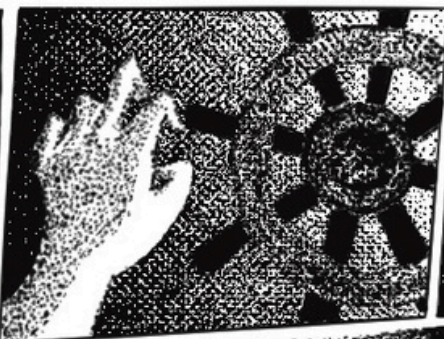

**The crew is
getting
disorganised
and the
captain has
collapsed.**

**The last
vestiges of
sanity seem
to have
turned into
ALPACAS**
