SOMEONE'S
BAD HAIR DAY

By Alicia Latham

The sun is shining and it's time for school, but someones not ready to go at all..

“I don't want to wear my hair like this today it doesnt feel right, it's not right for today.”

But what can they do? There's not much time before the bus comes for school!

“I know!”

“I can call a Wizard to magic lovely locks on my head.”

So someone looked it up, but was sad to find not a single Wizard lived nearby.

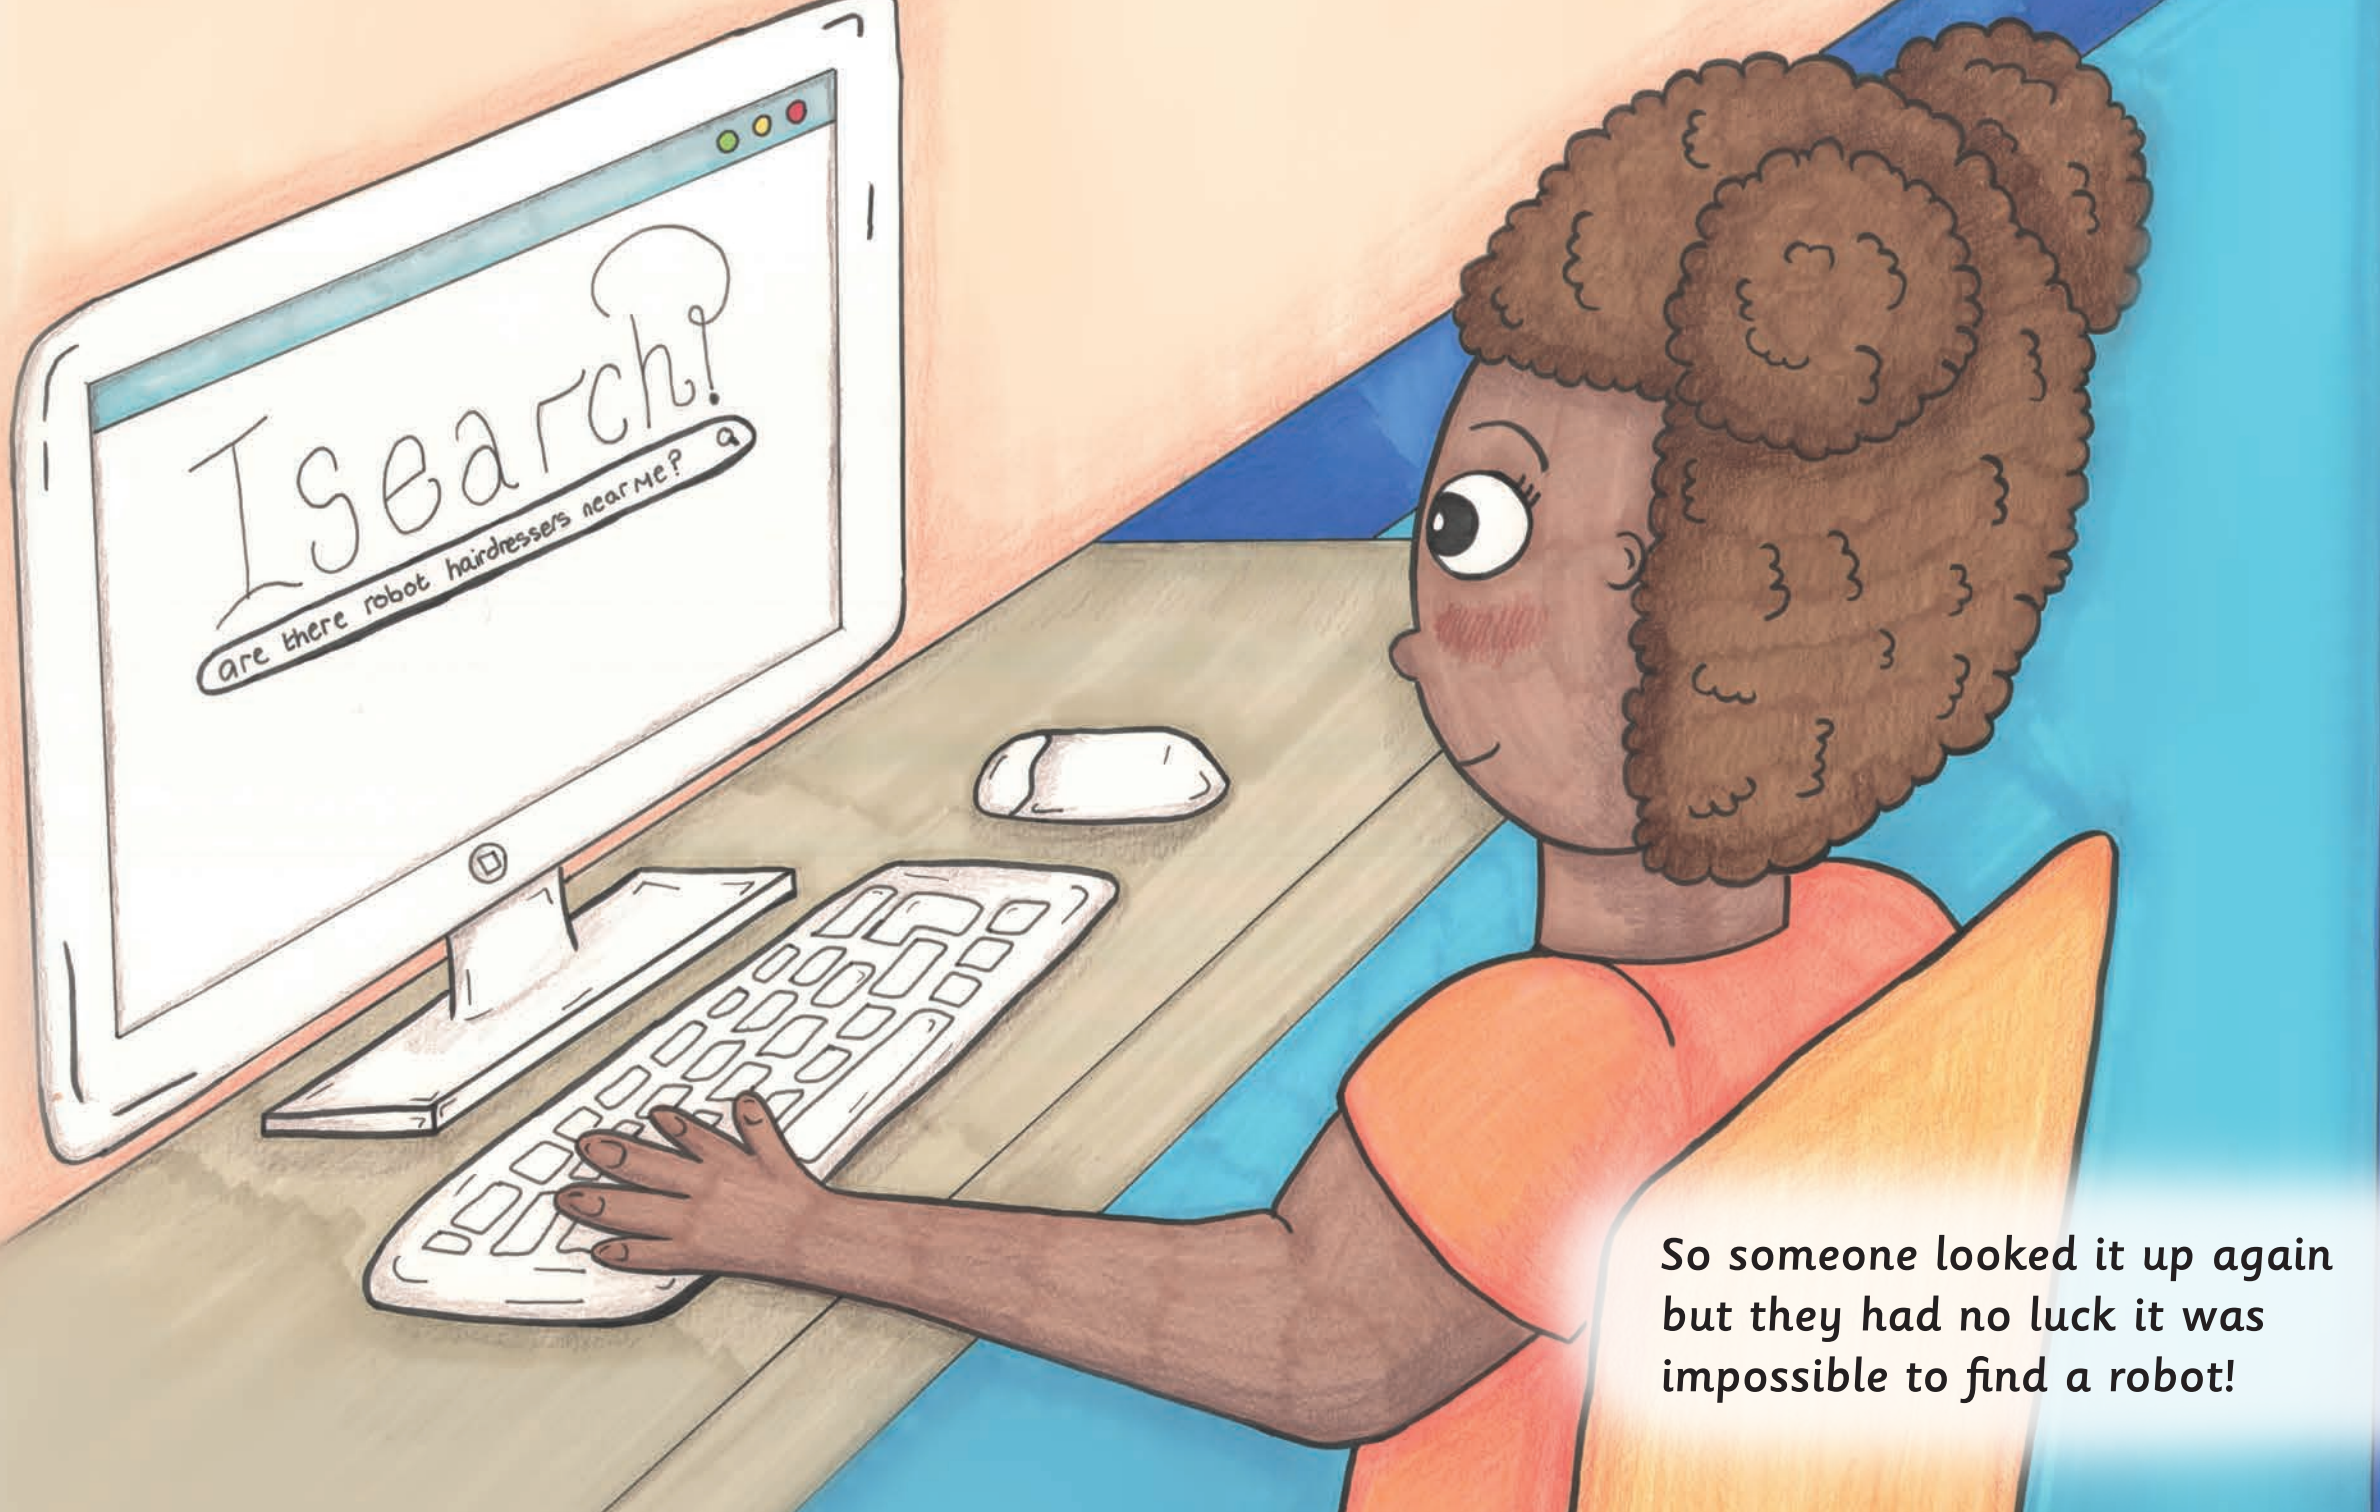

“Hmmmmm...”

DO NOT PRESS

“What about a robot this time?..”

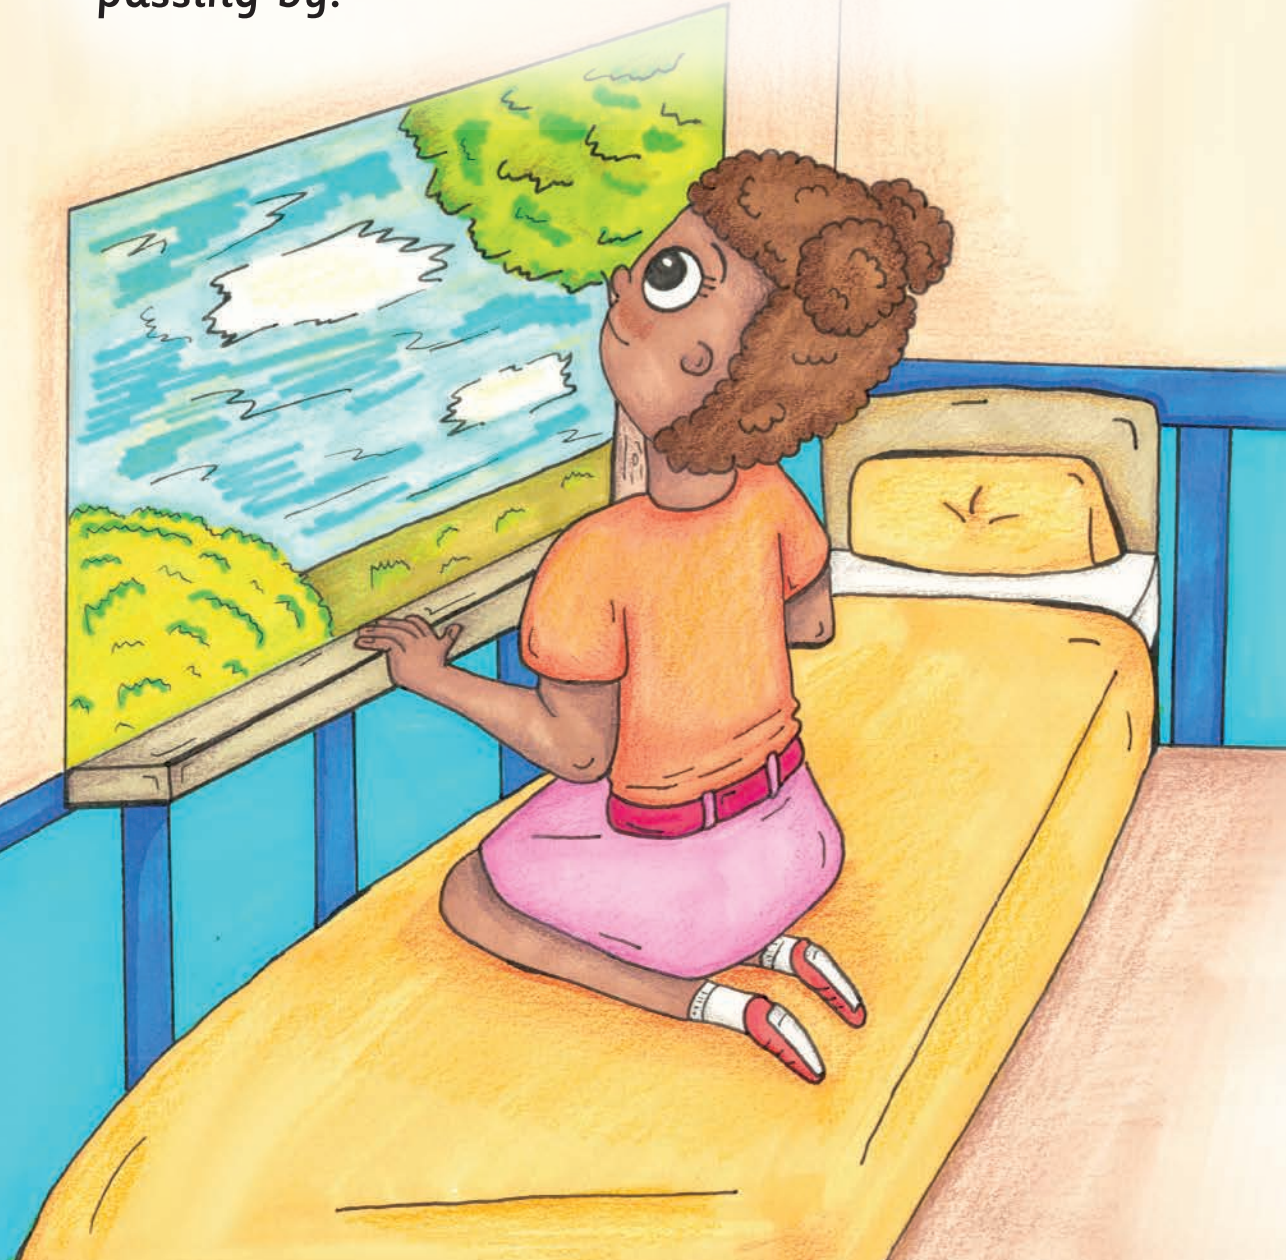

So someone looked it up again but they had no luck it was impossible to find a robot!

“Maybe an Alien can zap me a perfect hairdoo!”

So they ran to the window and looked up at the sky! What a shame there were no UFO's passing by!

It's getting late now and there isn't much time!
So someone sat to think and thought very hard!

They had one last idea and they were sure it would work!

They got out all the tools and they were ready to start. When they called in their secret weapon to begin creating some art!

In comes someone's brother with focus in his eyes he picked up the tools and to someone's surprise...

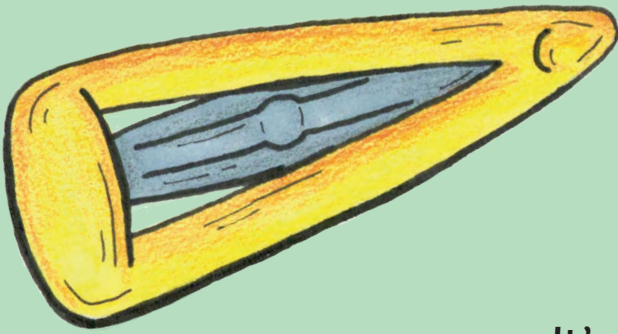

A masterpiece was created, it was just what they wanted!

But quickly now,
someone run!

The school bus is here and the day has begun!

It's the morning before school
and things have taken a turn
for the worst!

Someone's hair is not right,
now there's a problem to solve!
How can they get their curls
under control?!
