**De Wallen  
In Amsterdam  
District**

De Wallen – worldwide known as Amsterdam Red Light District – is a residential and entertainment area in the historical centre of Amsterdam, the city's oldest part. The area is almost completely made up out of old historical buildings. Some of them dating back to the 16th or 17th century. The oldest building in the city – the Oude Kerk – even dates back to the year 1300. De Wallen is located next to the Central Station and is considered to be the entrance of Amsterdam.
