

 *Notting Hill*  
keychains 

71 this was taken from the eyes and head of a sonny angel. sonny angels are figurines of cherubs

72 sonny angels come in blind boxes. what you get is a mystery! you won't know till you open the box

73 the famous sonny angel slogan!

74 jessie western is a jewellery shop located on portobello road.

75 vandalism committed by kpop fans in portobello green.

76 random house number

77 inspired by vintage mirrors

78 inspired by vintage mirrors

79 the window of a bakery had these hand drawn leaves

710 there was a sticker of a moka pot on a wall somewhere

711 same as 10, but different design.

712 the word for 'organic' in japanese. a cafe had a poster with the word translated into many languages

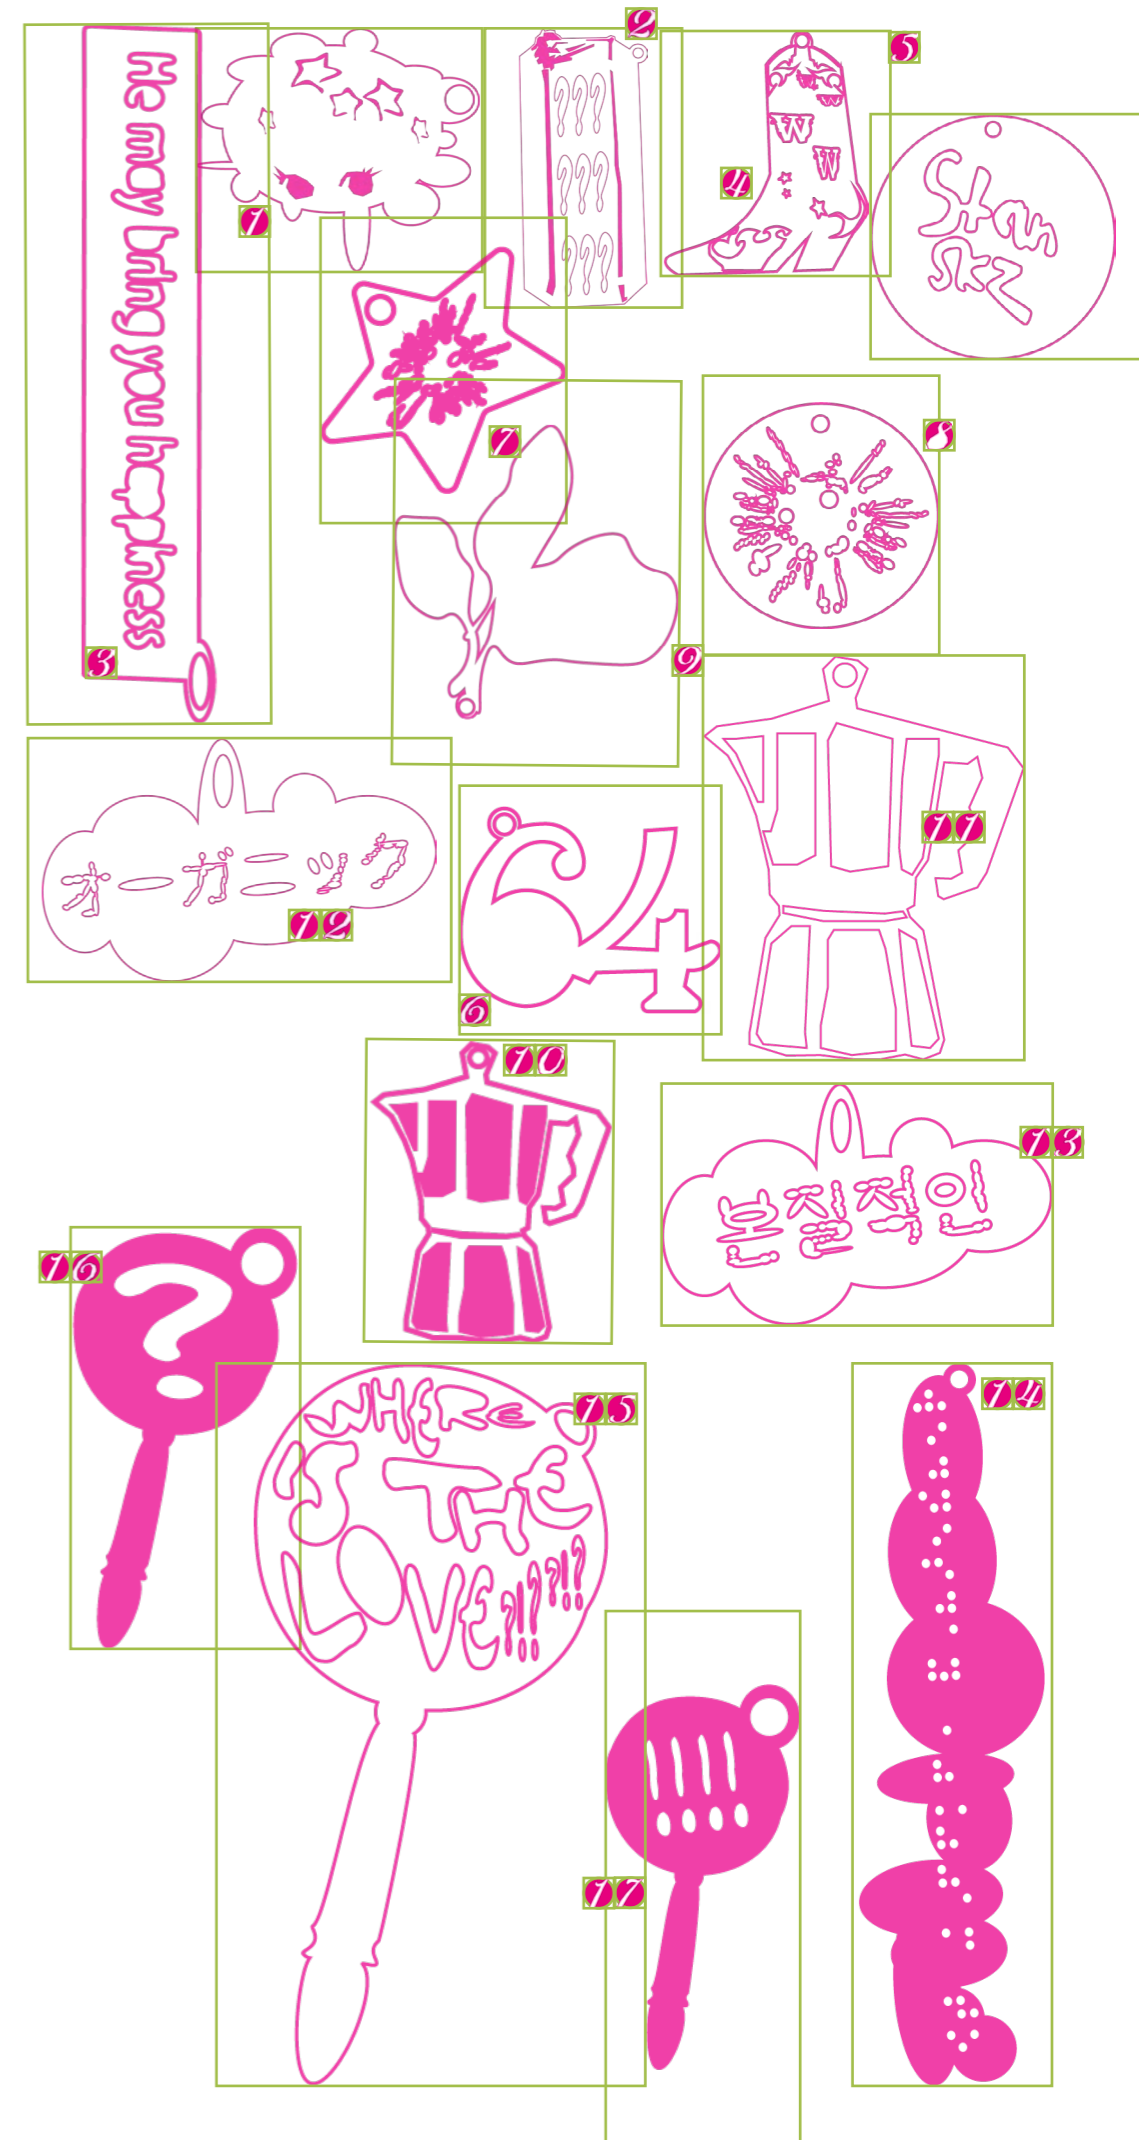

713 the word for 'organic' in korean. a cafe had a poster with the word translated into many languages

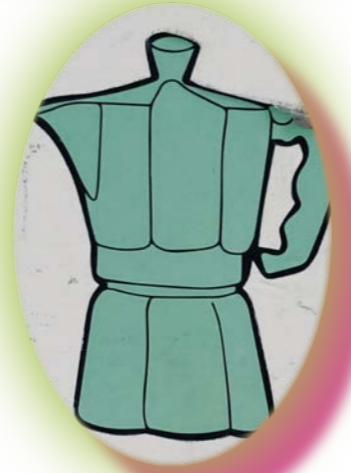

714 'wednesday' in braille.

715 there was some graffiti that read 'where is the love'. i paired that with a magnifying glass because they had a table full of them at portobello market.

716 question mark in a magnifying glass.

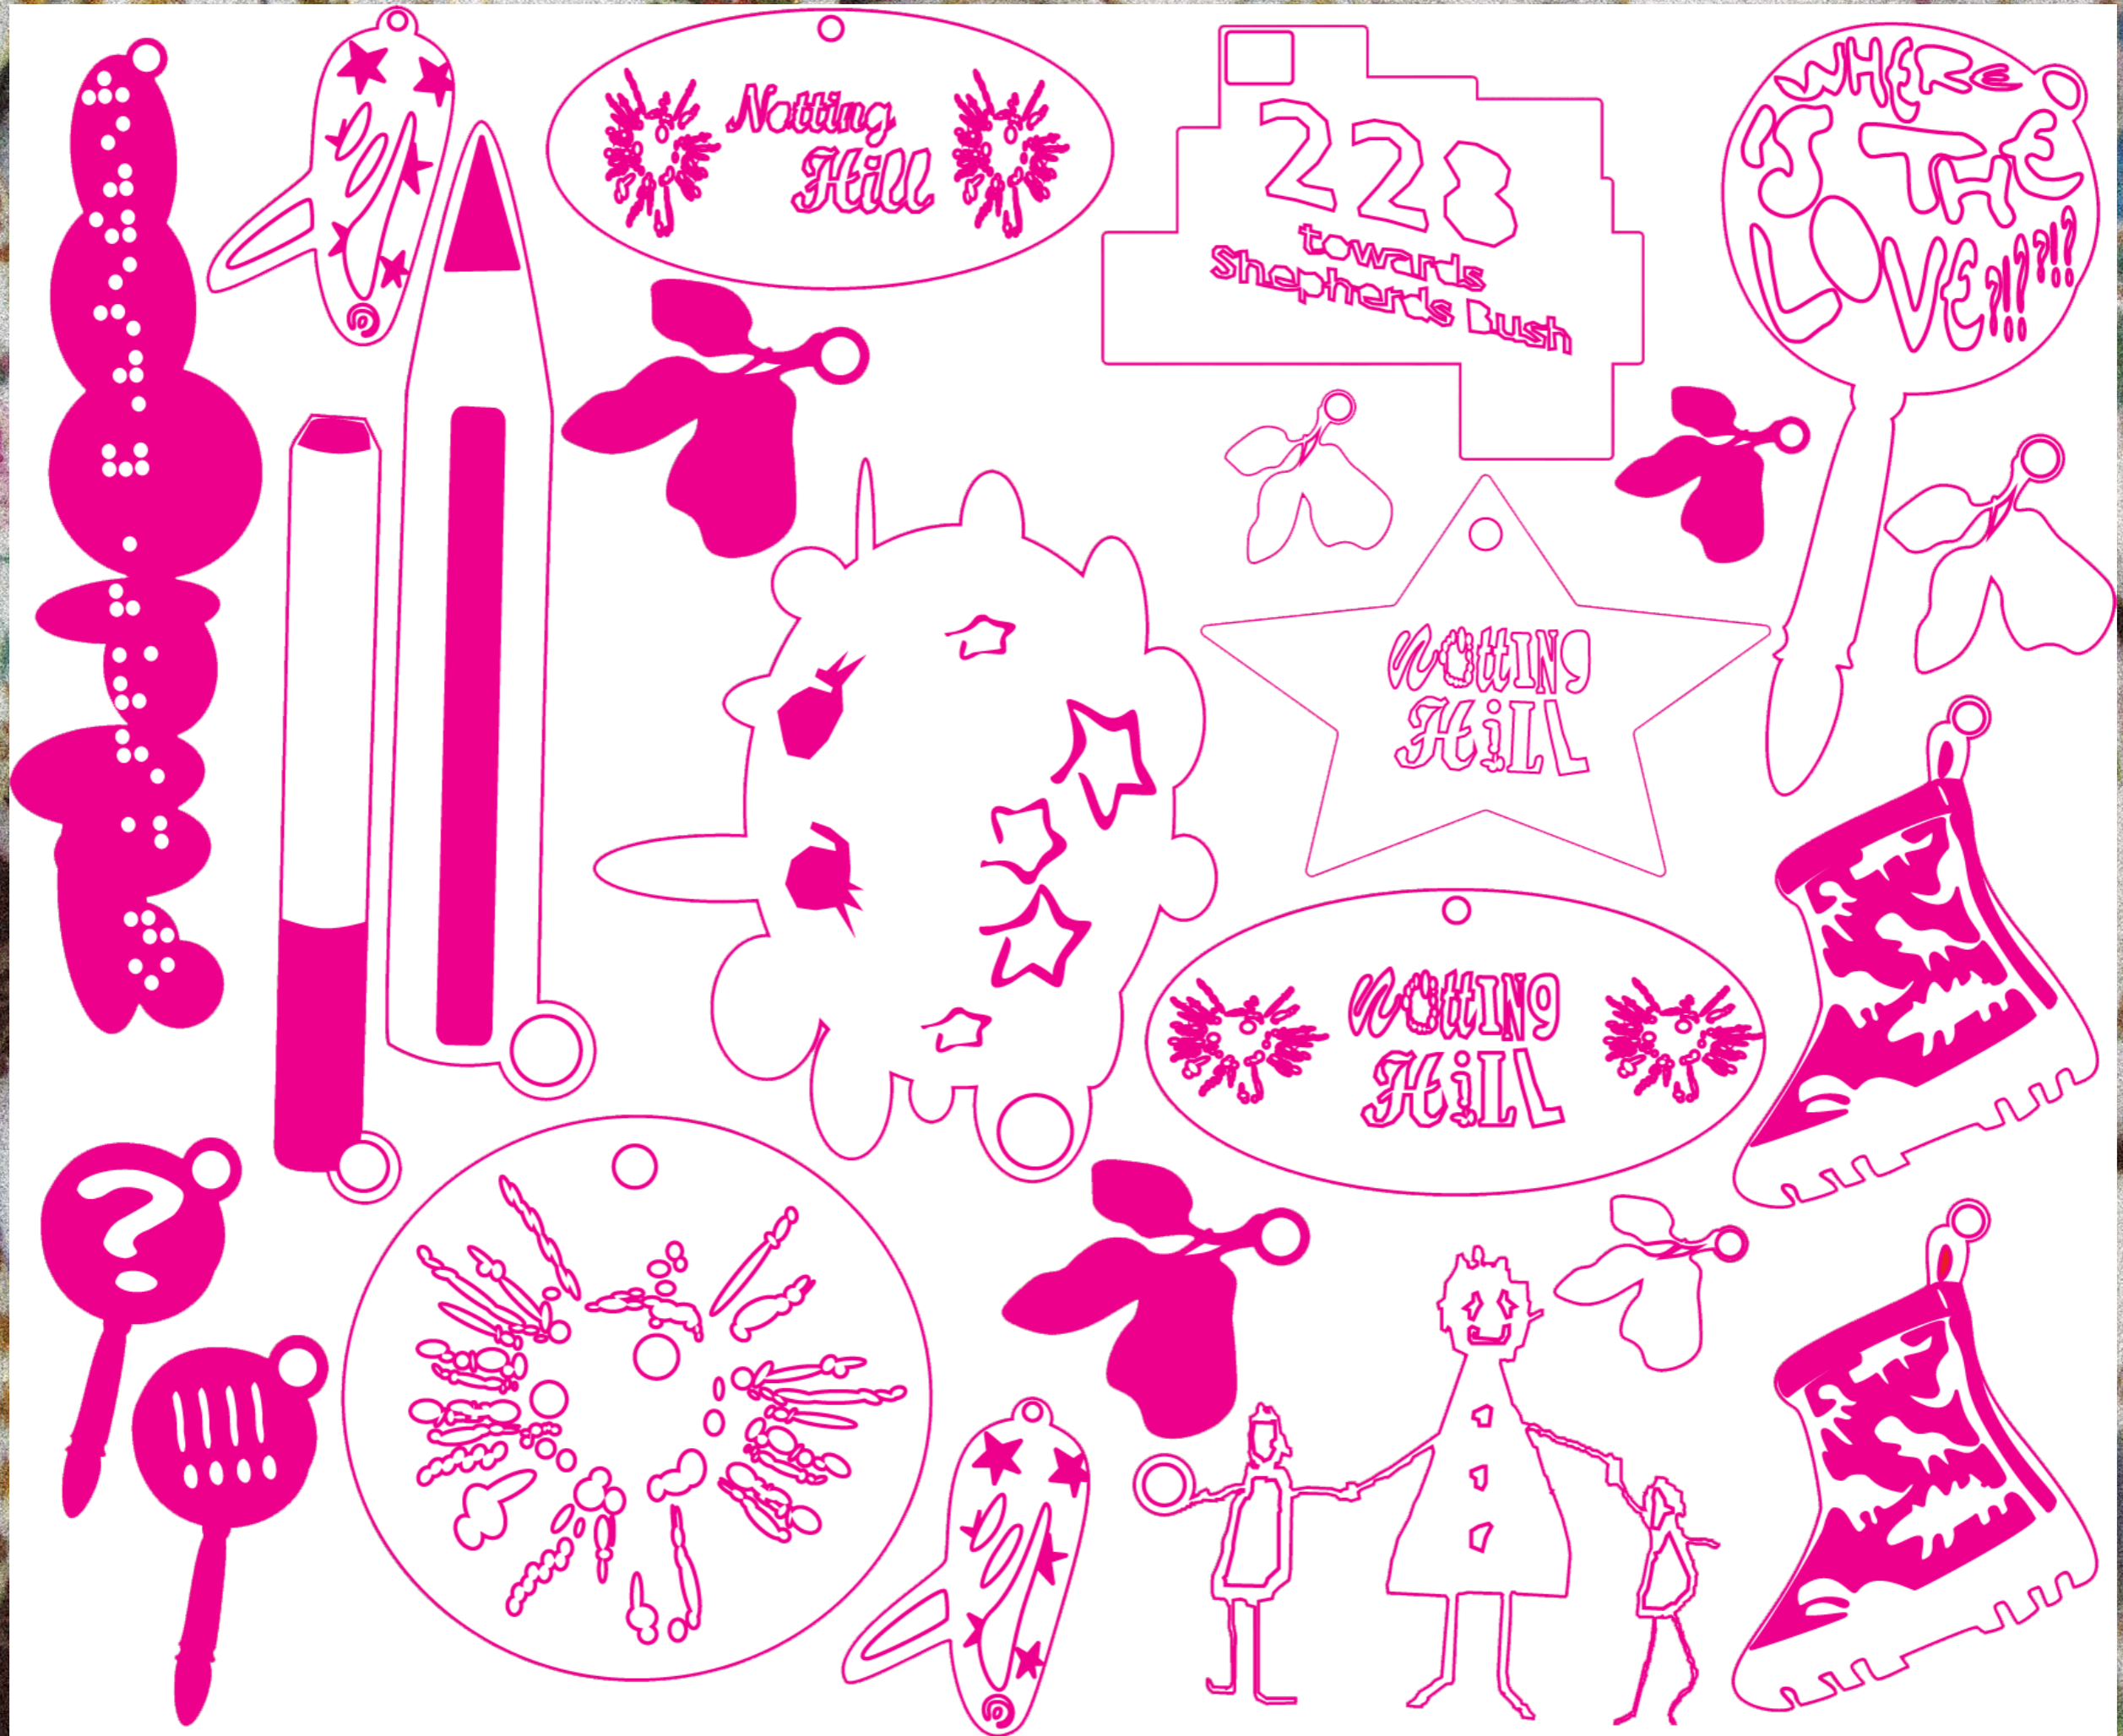

717 exclamation marks in a magnifying glass
