Regimental Hospital,
140th Pennsylvania Infantry.

DIAGNOSIS.
'Zahra's Husband
"just set yourself on fire, I
could have a better life without
you"
enraged and humiliated, Zahra
ran to the kitchen
and doused herself in cooking
oil, threatening him.
he jeered and ridiculed her,
infuriated, Zahra lit a match
and held it out in front of him.
a gust of wind caught her
in seconds she was engulfed and
screaming for help.
her husband simply stood there
and watched her burn.'
