FISHBOWL

YOUR
FISHBOWL

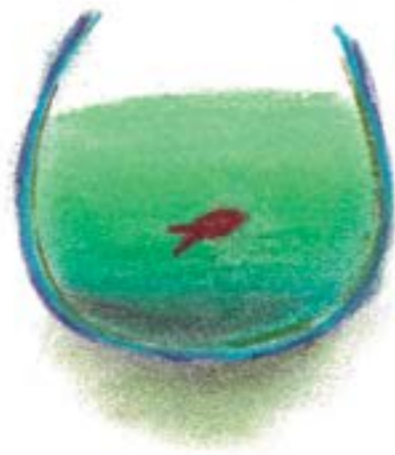

What is this?
It looks so weird.

I think she likes it,
but, this is not my thing.

It's boring...

But, wait,
where is she going?

What is going on here ?

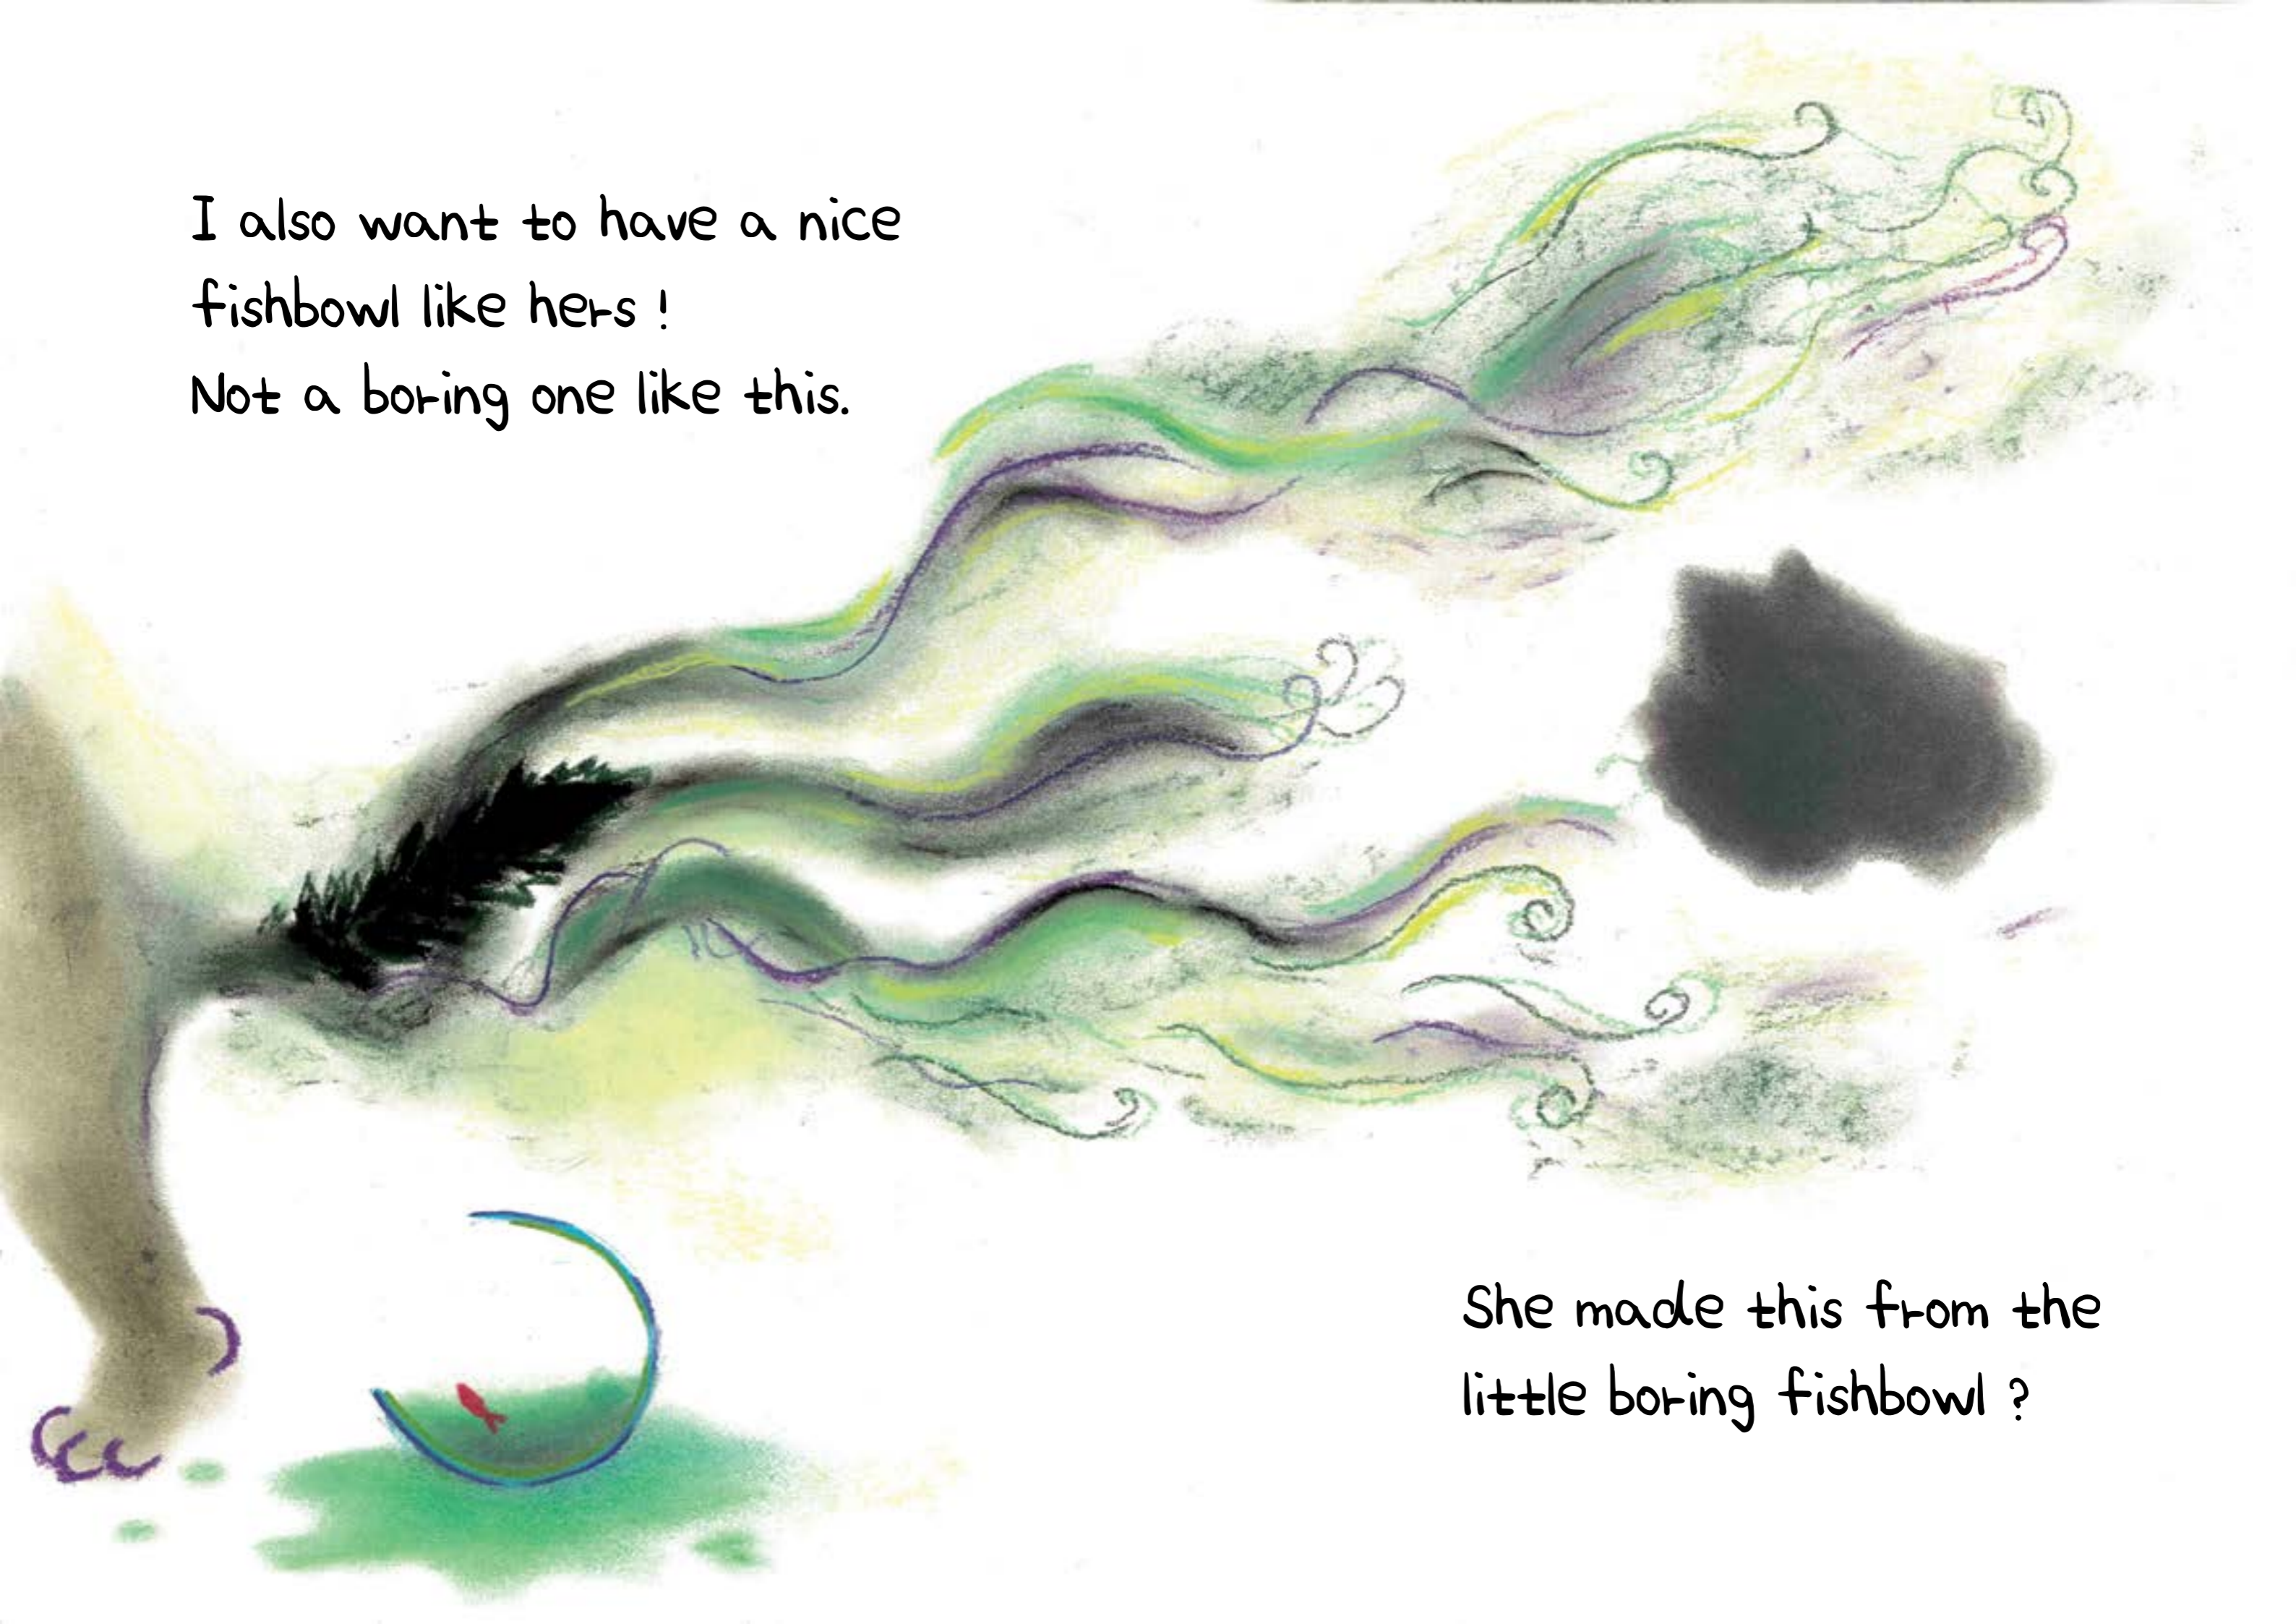

Oh, no way!

Is this the boring little fishbowl ?

Not a boring one like this.

She made this from the

What?
I look so so weird !

part of me.
