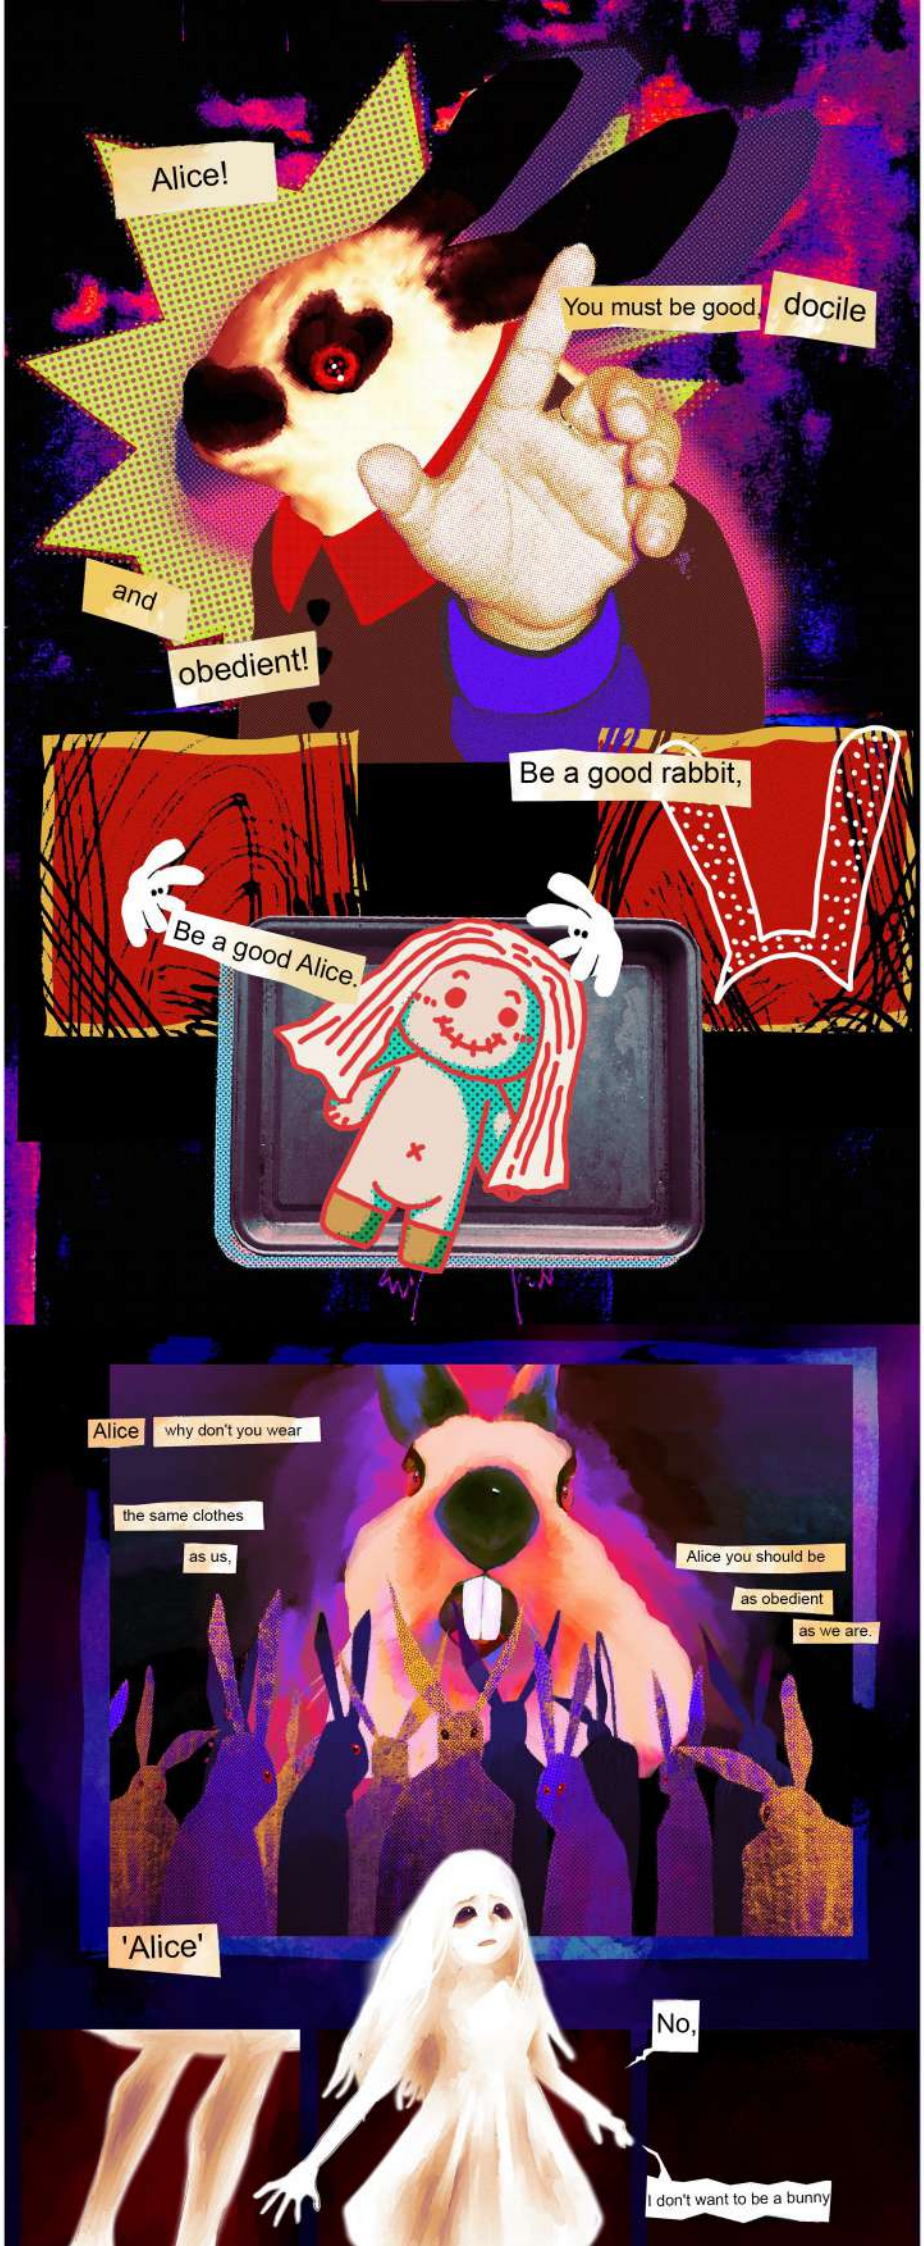
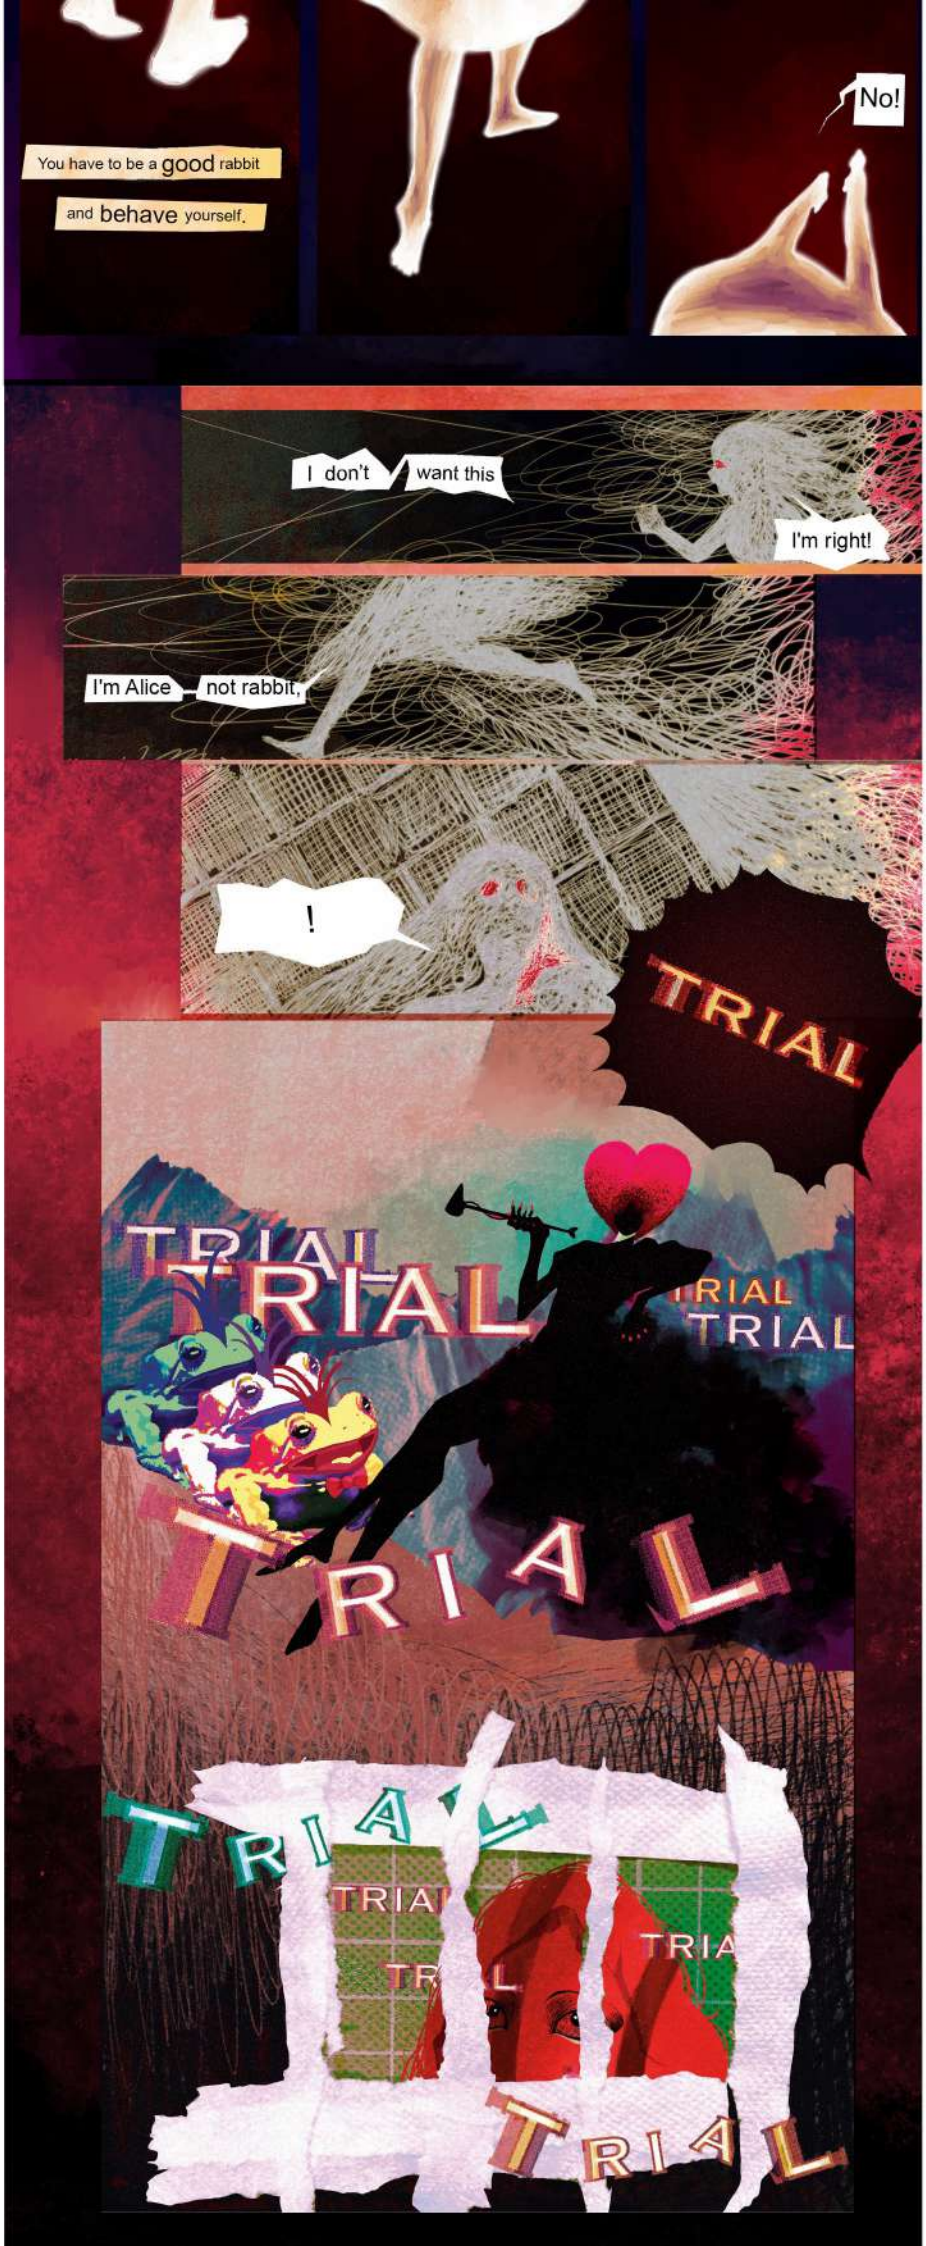
'This is not right for you'
'She's committing a crime'
'We need to help her'
'Alice, my Alice'
'It's not right'
'It's out of line'
'We need to correct her'
'I love you
Alice'
'Listen to me Alice!

"Alice"
"Alice!"
You must be good.



Alice!
You must be good, docile
and
obedient!
Be a good rabbit,
Be a good Alice.
Alice why don't you wear
the same clothes
as us,
Alice you should be
as obedient
as we are.
'Alice'
No,
I don't want to be a bunny



You have to be a good rabbit
and behave yourself.
No!
I don't want this
I'm right!
I'm Alice not rabbit.

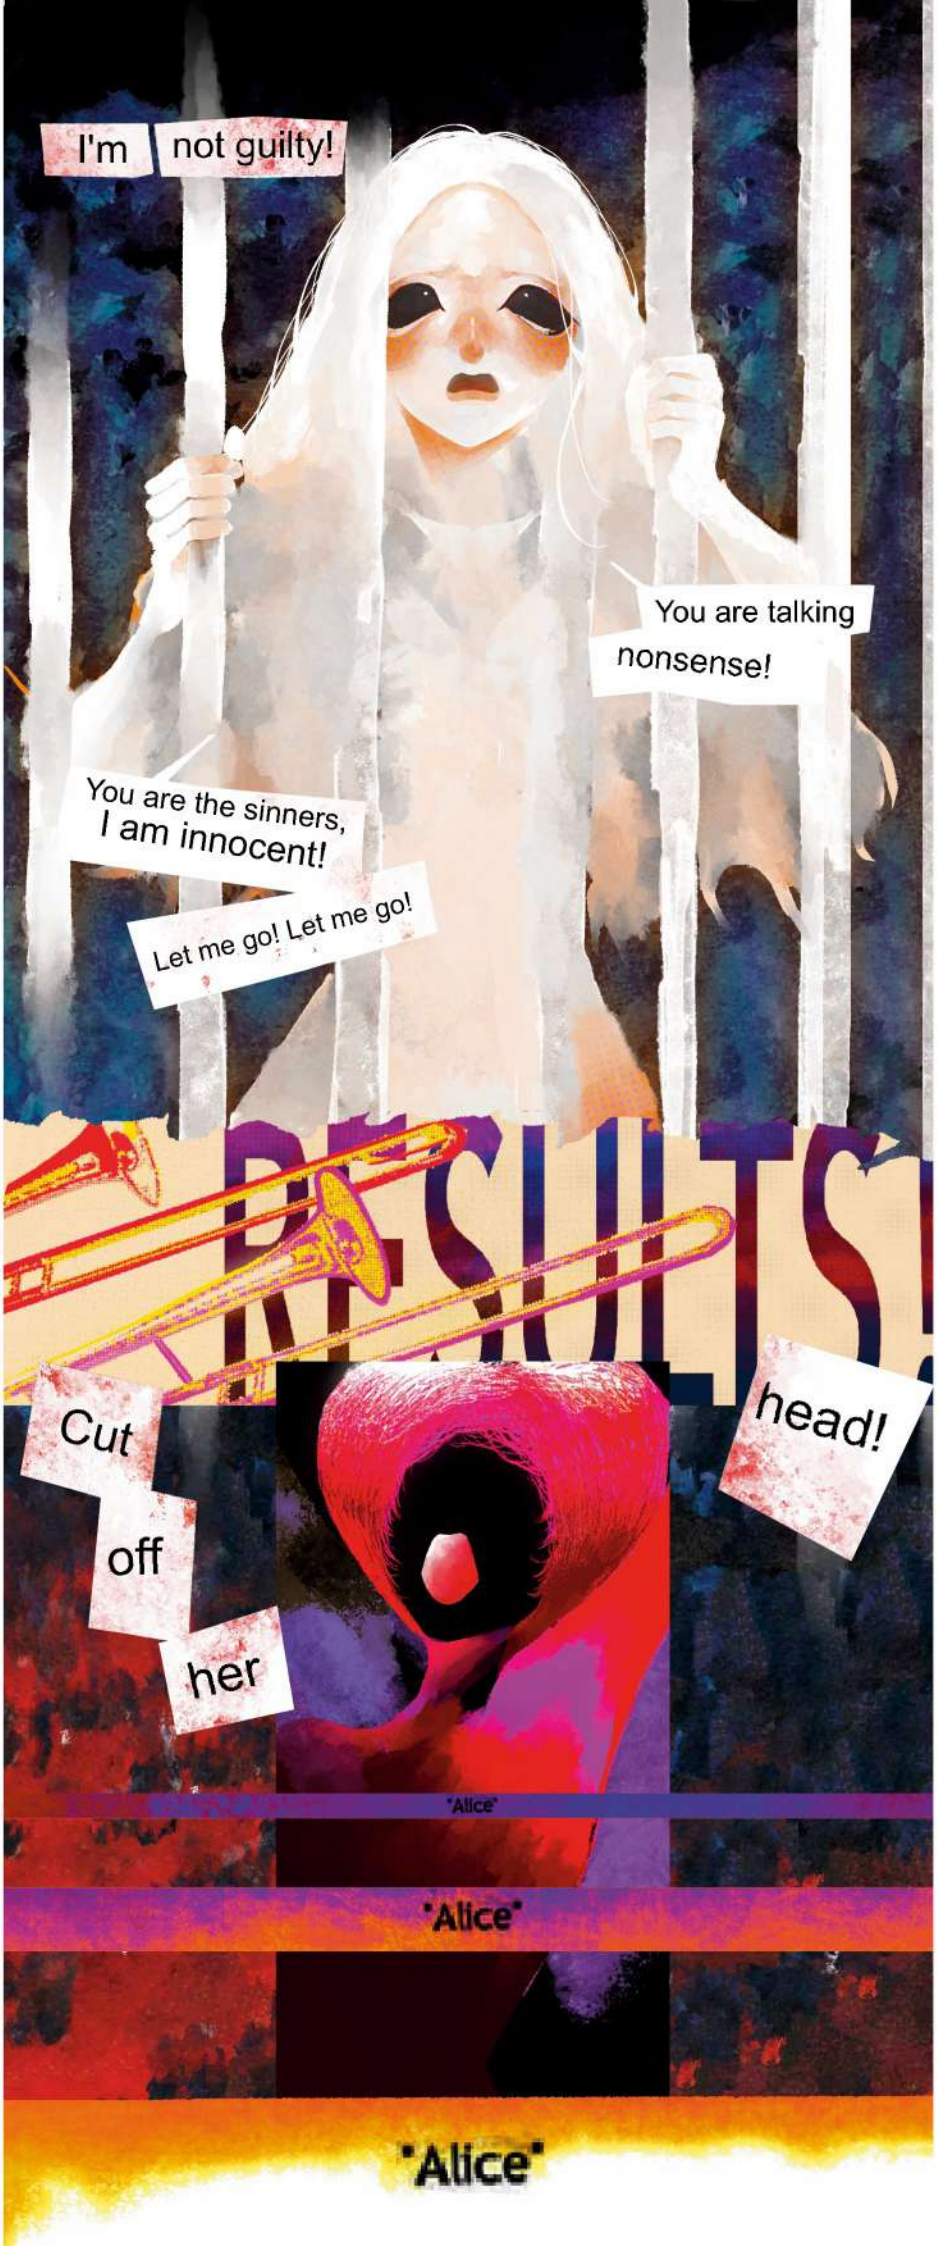
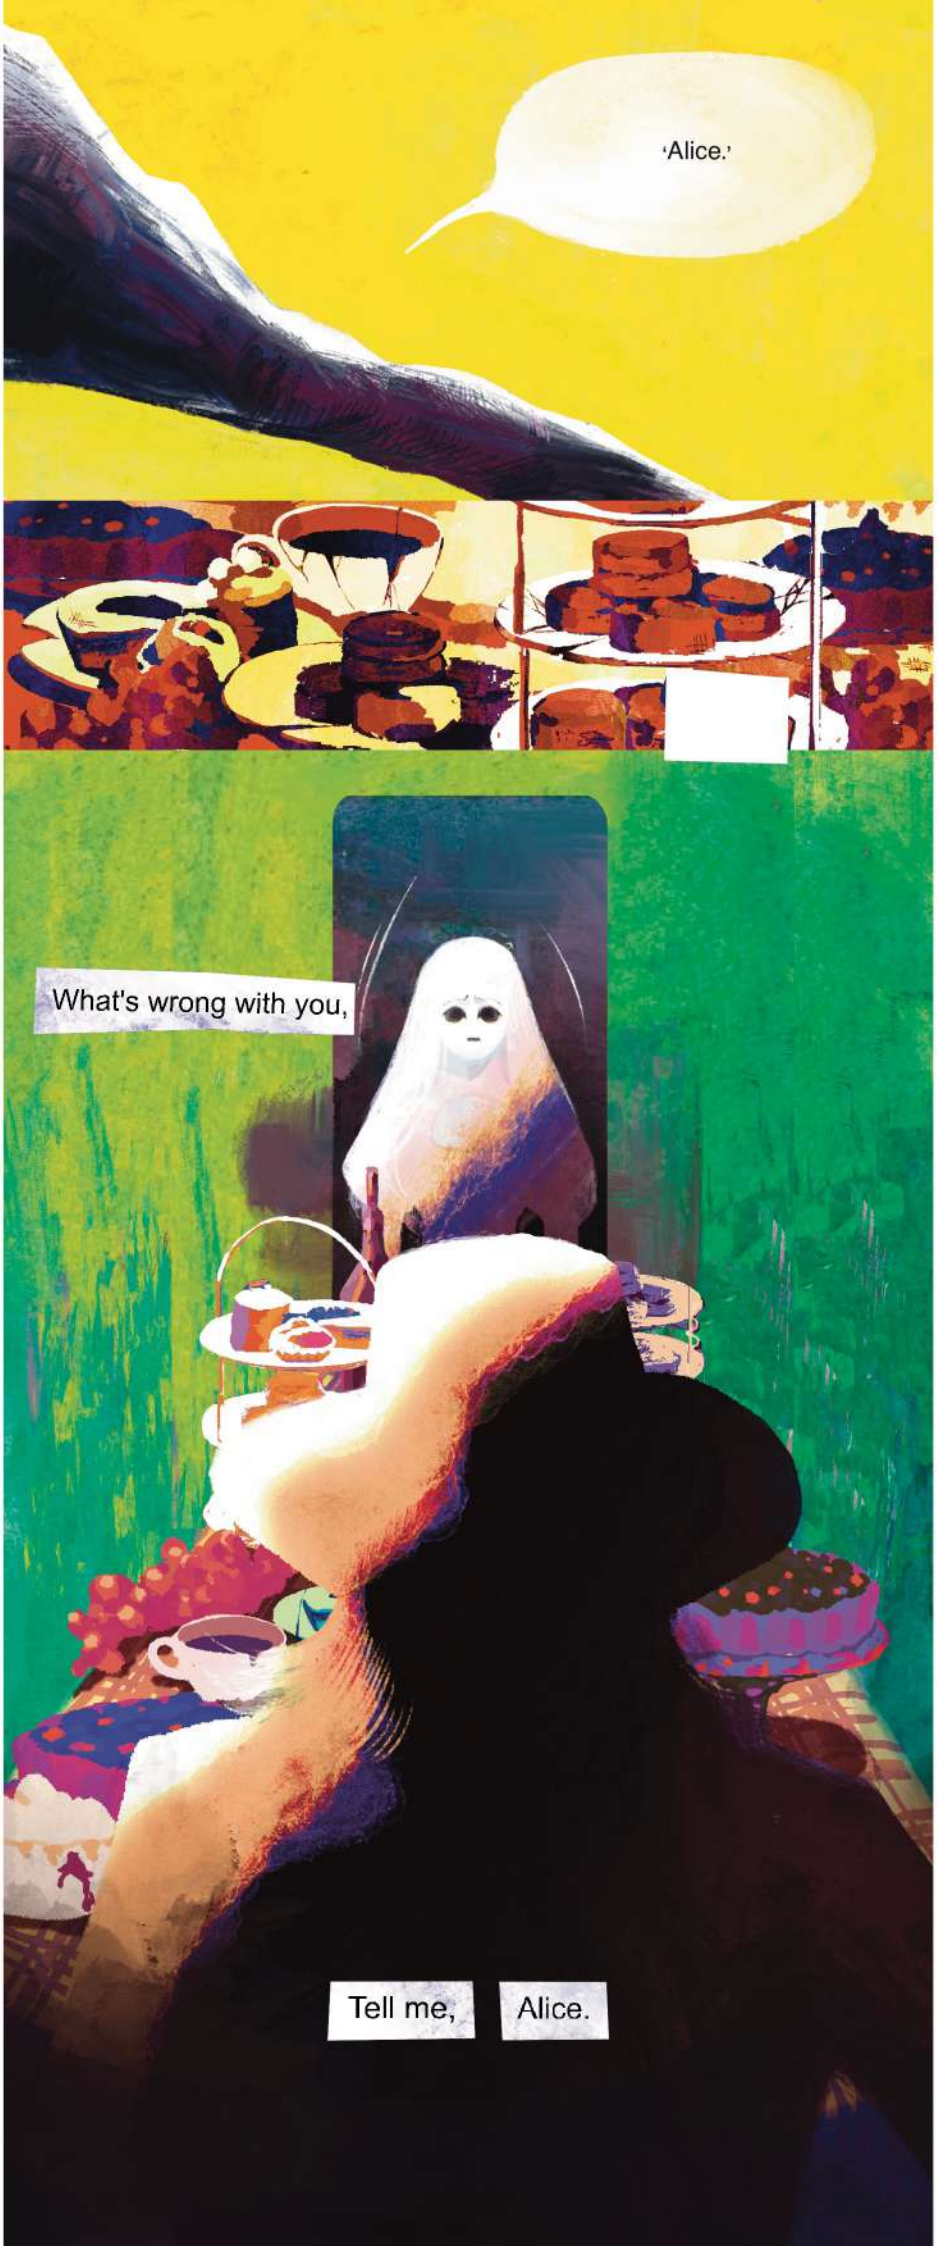
'Alice,



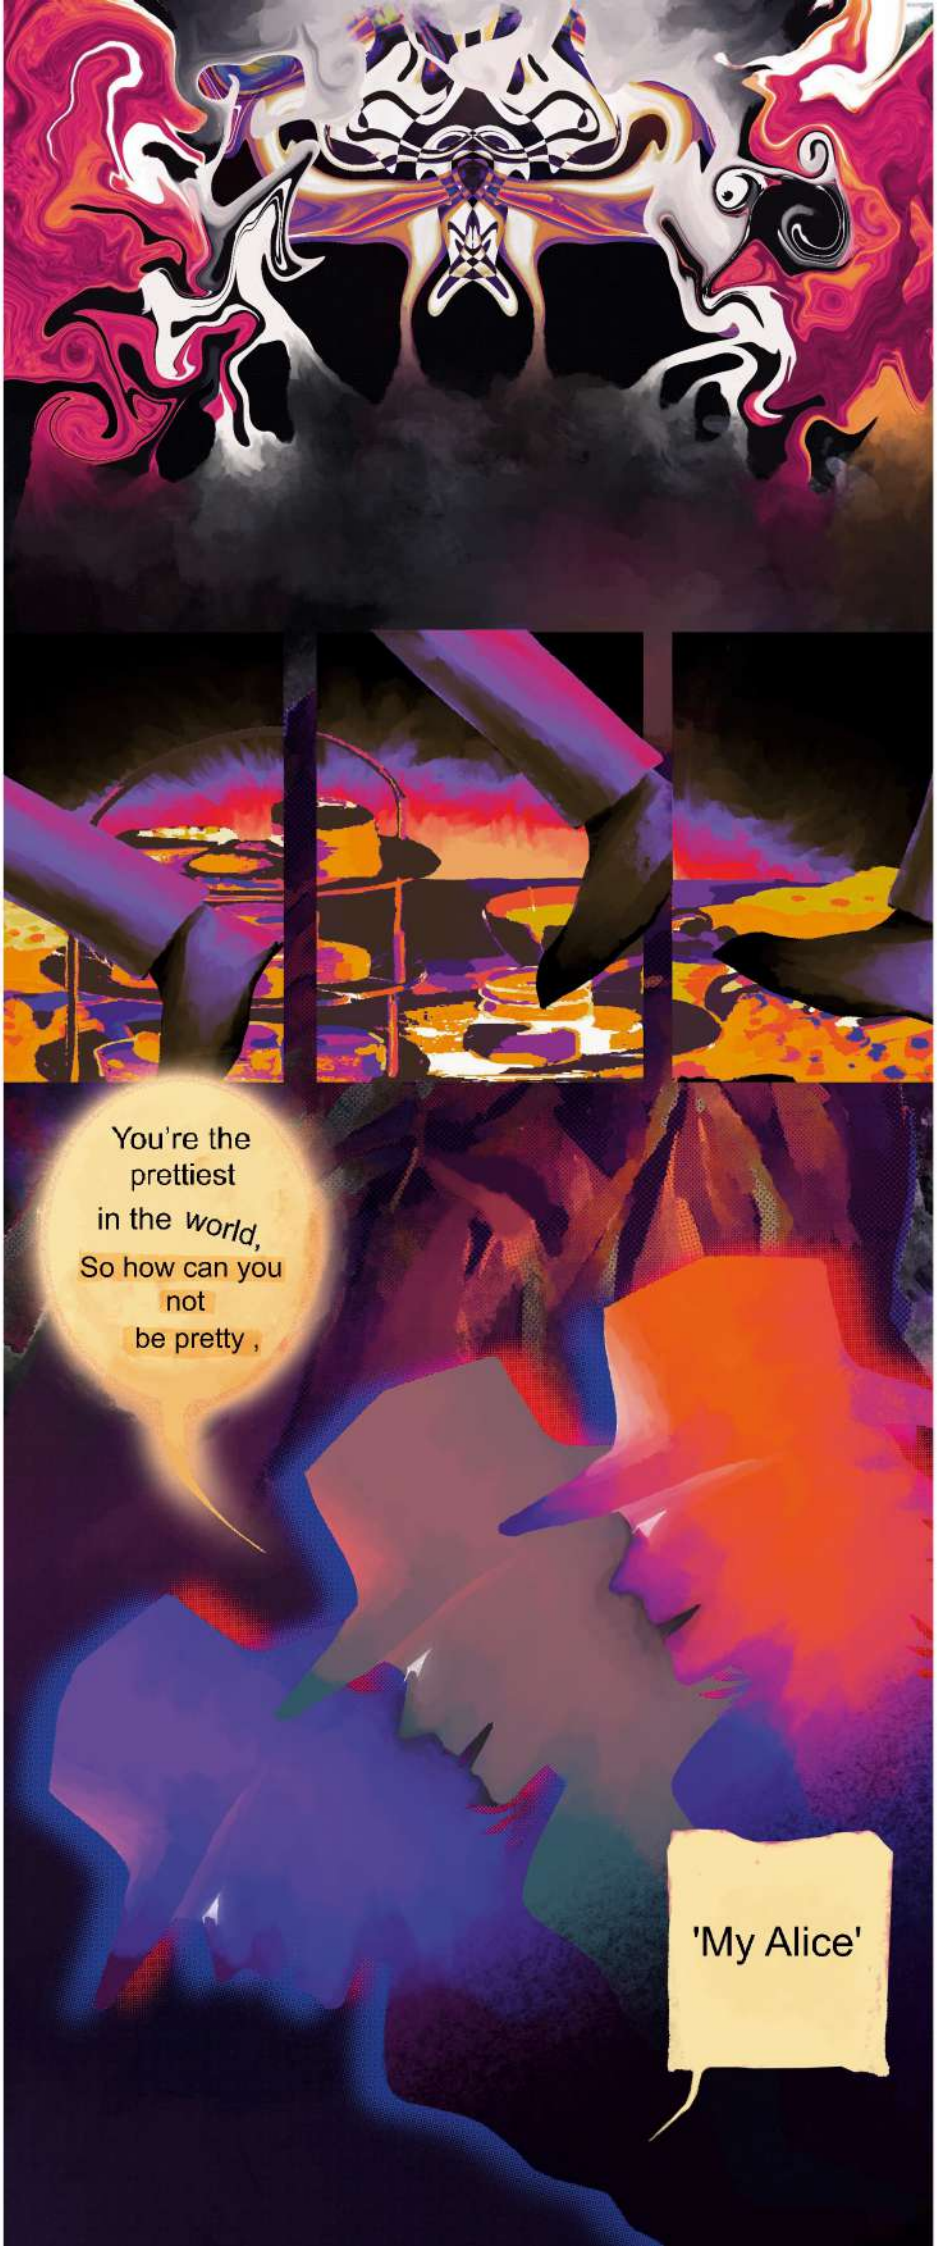
I'm not guilty!
You are talking nonsense!
You are the sinners, I am innocent!
Let me go! Let me go!
RESULTS!
Cut off her head!
'Alice'
'Alice'
'Alice'



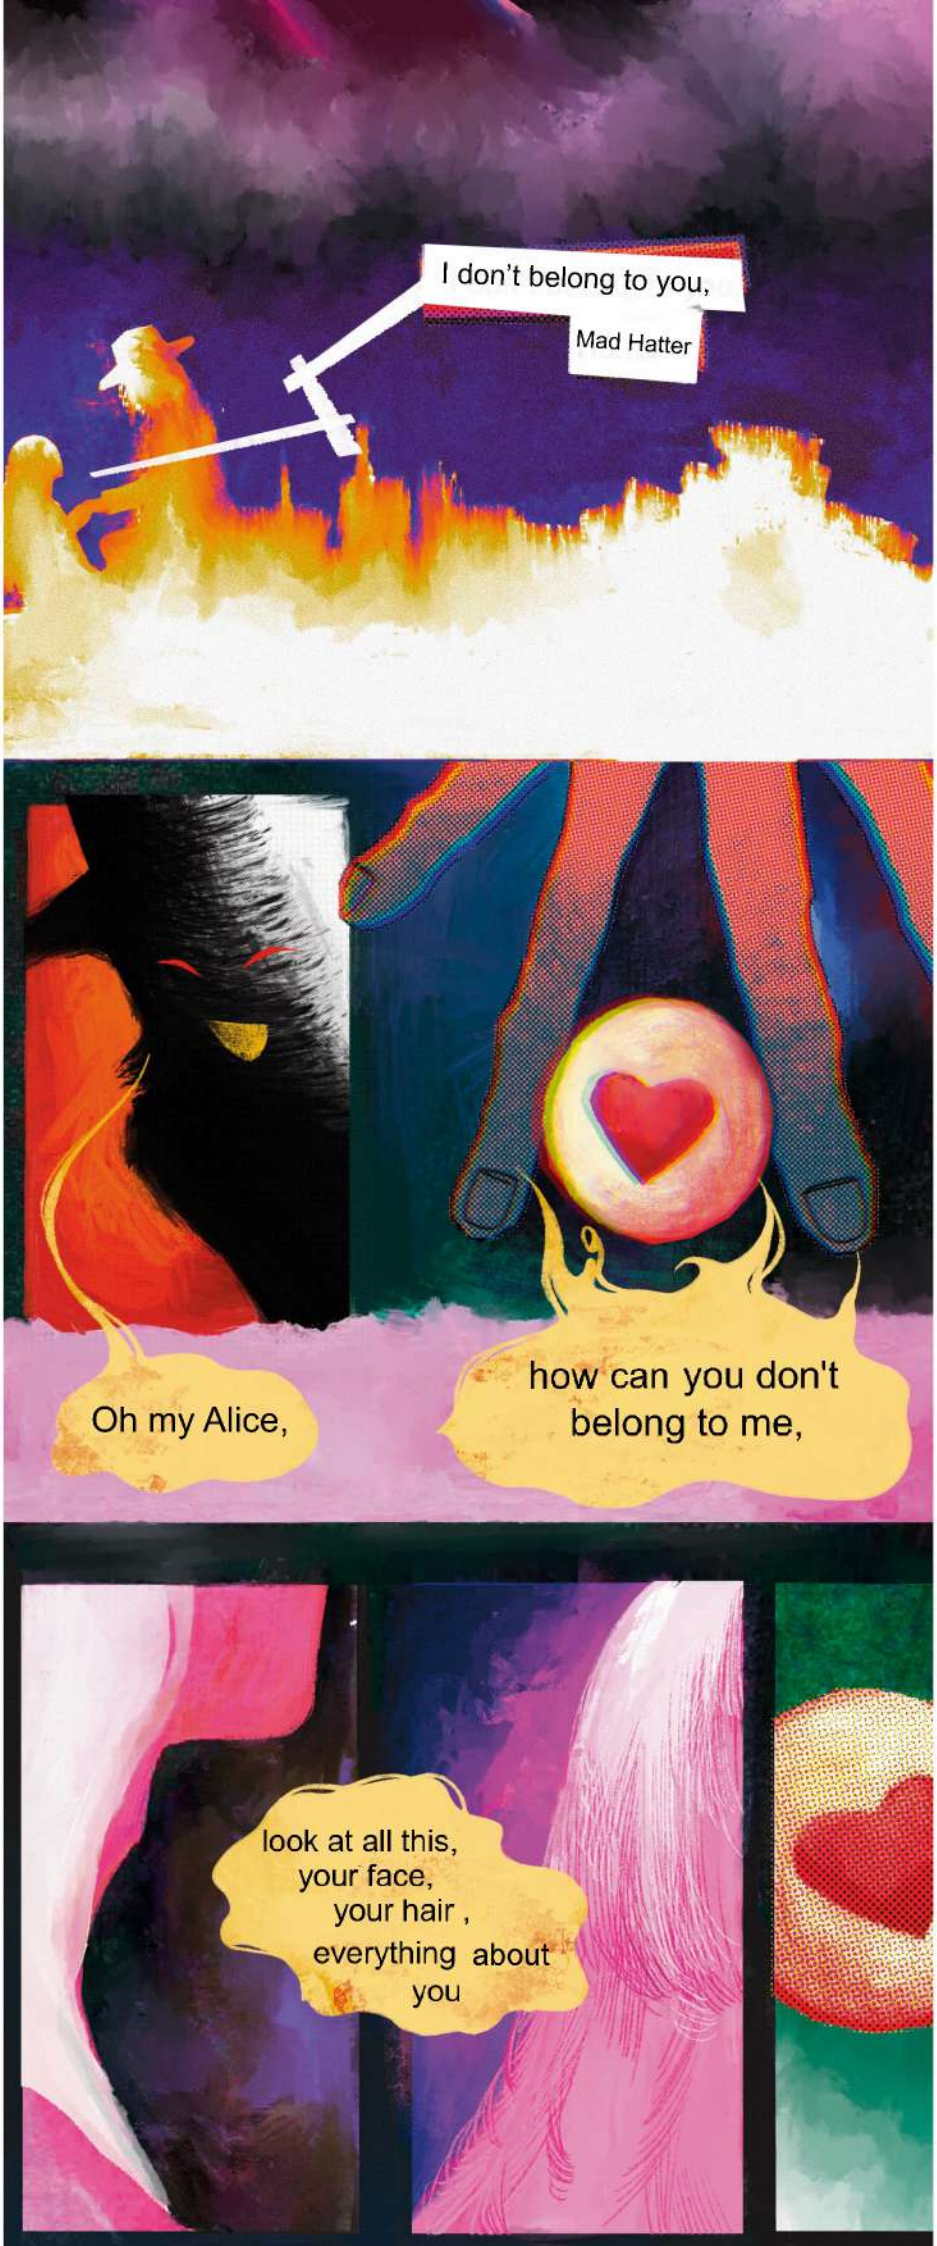
'Alice.'
What's wrong with you,
Tell me,
Alice.

Someone is bullying me,
some of them are trying
to turn me into
a rabbit'
I think Alice would
be more beautiful
transformed into
a flower
They say I'm guilty
and they want to
cut off
my head
That must be the Queen of Hearts' Inquisition, the woman is a lunatic, but today's refreshments were pretty good
They don't even know who the real me is!
Alice,
would you like to try it,

Why don't you eat this
lovely tea?
I don't want
to eat it
Ah,
is it because it's not pretty
enough, but indeed nothing is
as beautiful as you
are with you around.
'Alice.'



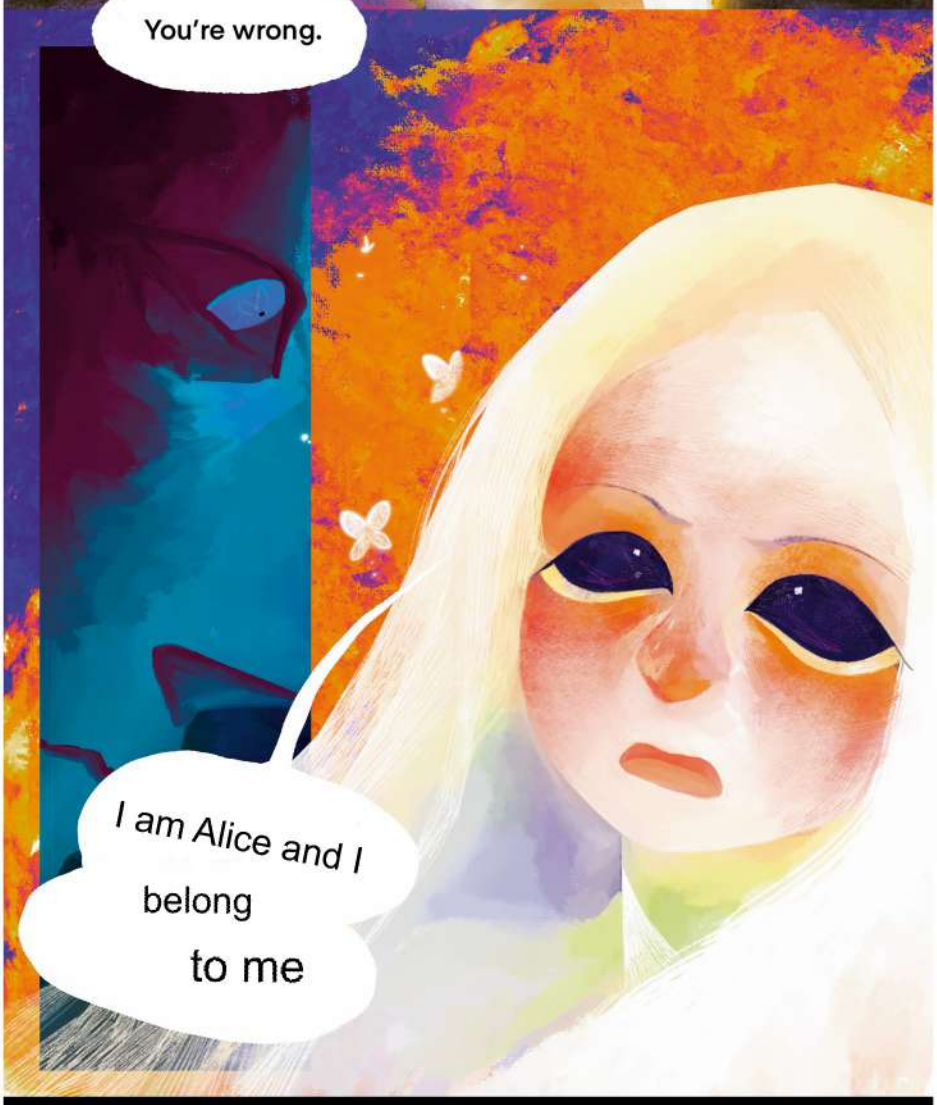
You're the prettiest in the world,
So how can you not be pretty ,
'My Alice'



I don't belong to you,
Mad Hatter
Oh my Alice,
how can you don't belong to me,
look at all this, your face, your hair , everything about you

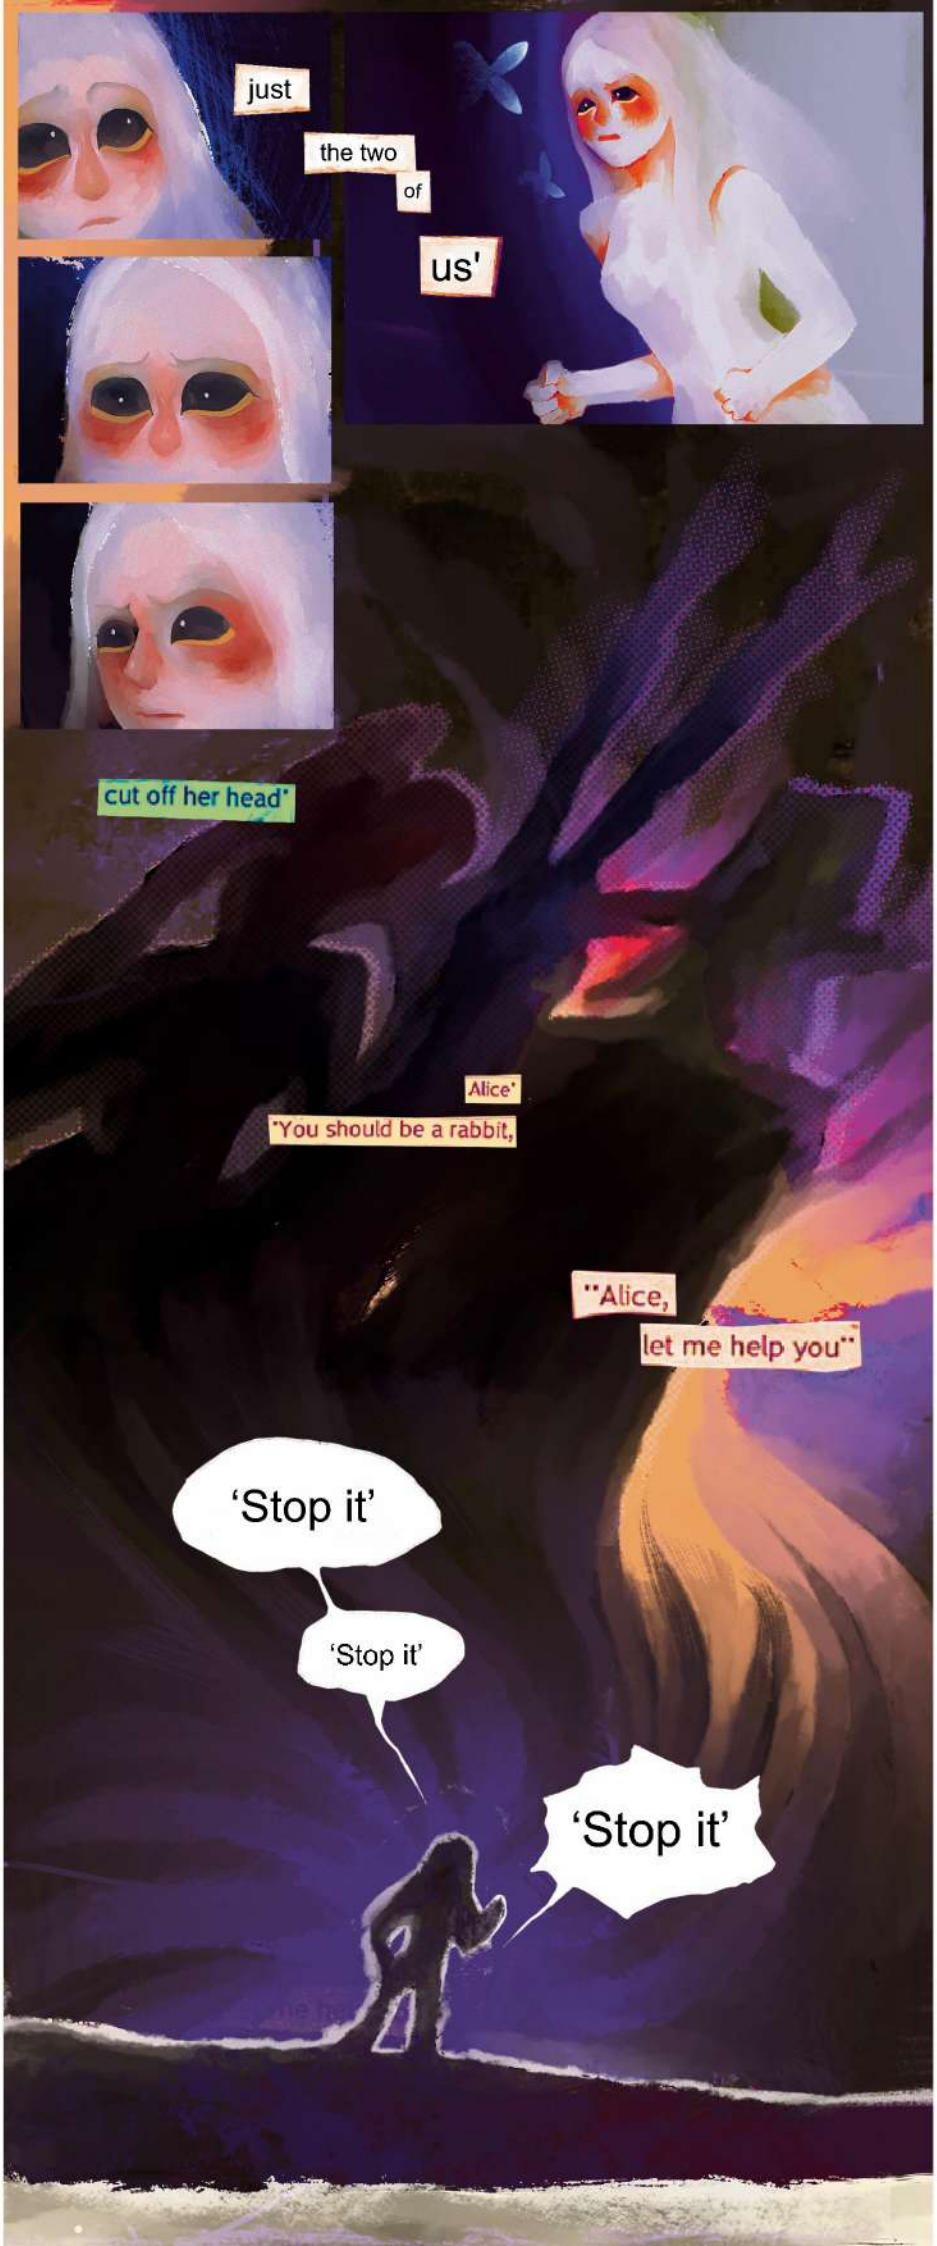
You
are mine,
Alice

'NO'



You're wrong.
I am Alice and I belong to me

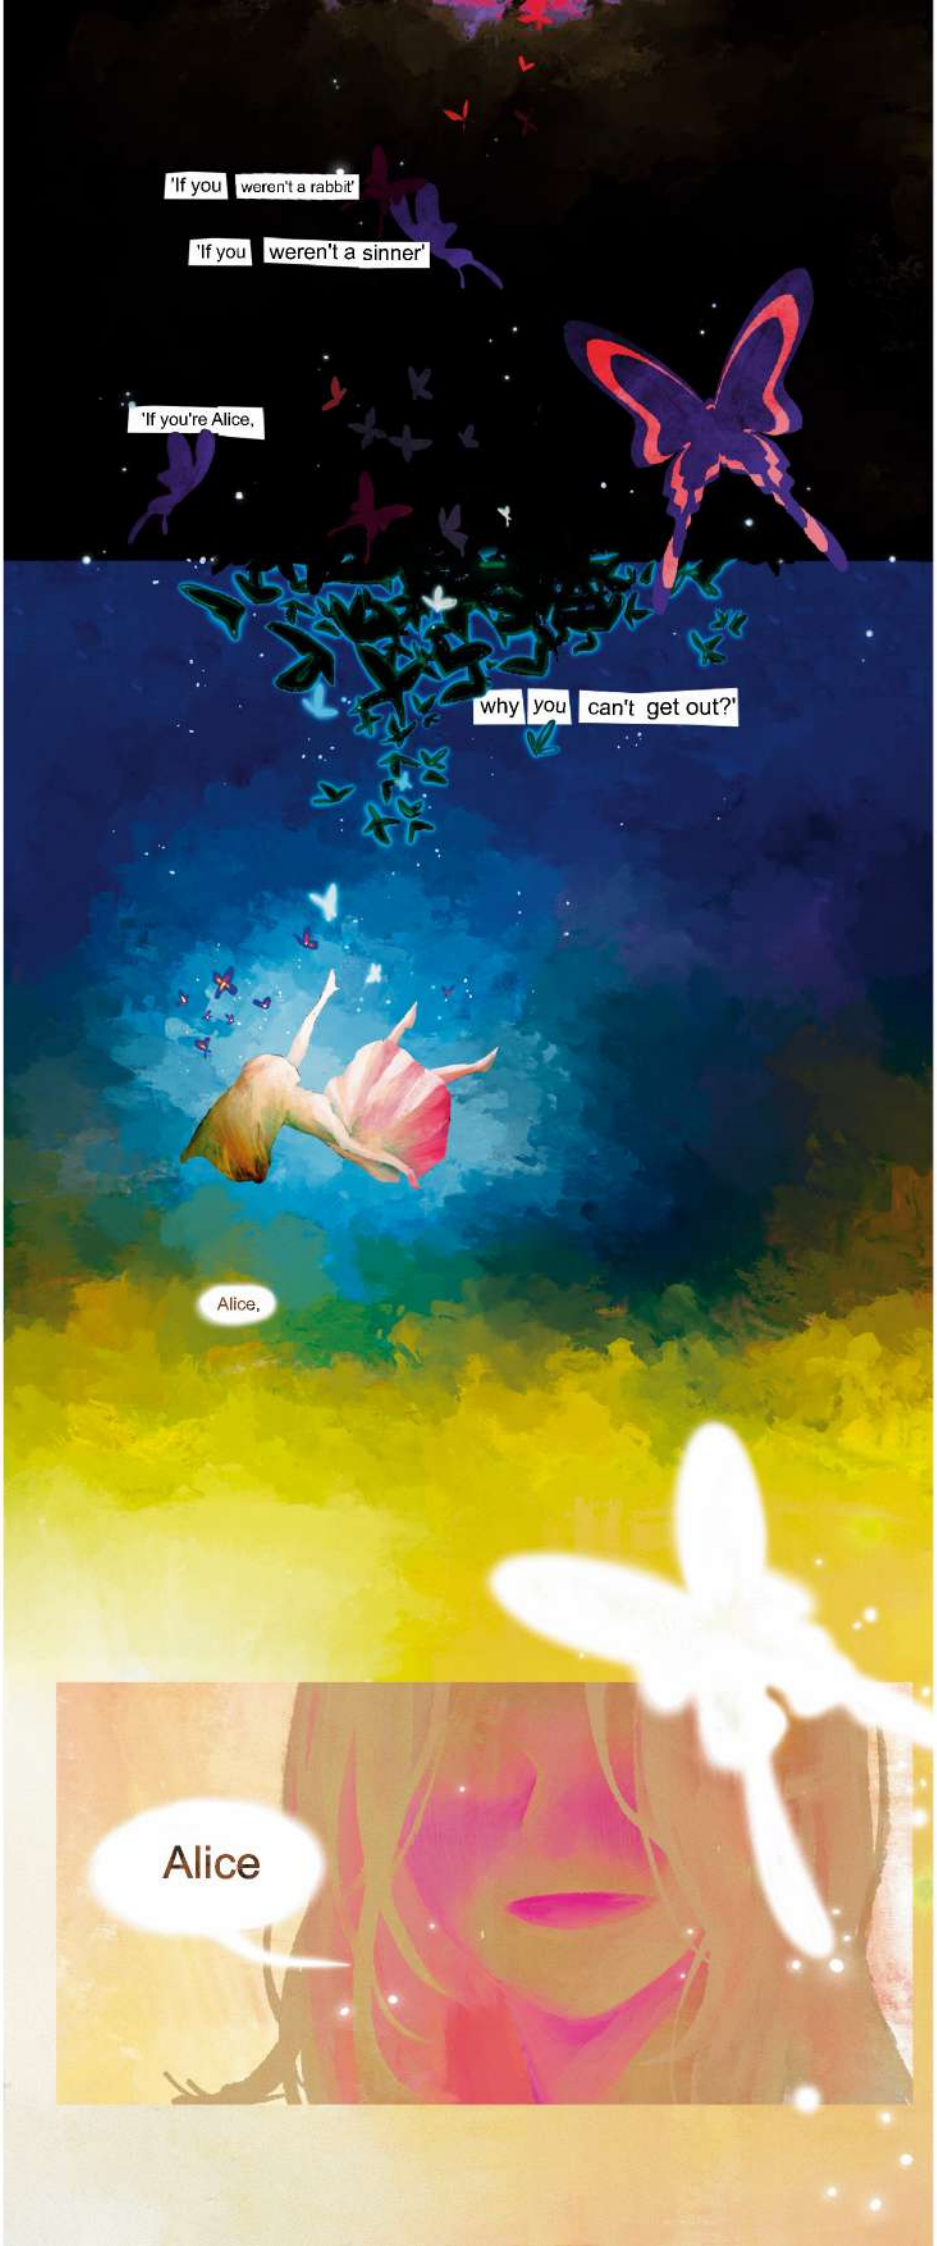
Oh ,
I see,
did you feel unhappy
at the stupid rabbit
and the madwoman
You see, all you
have to do is
eat your snacks
beautifully and
be happy with me
at the tea party
I built for you
So forget all that and
let's get on
with the tea party
So,
eat this
biscuit
Come on,
my beautiful
Alice



just
the two
of
us'
cut off her head'
Alice'
'You should be a rabbit,
"Alice,
let me help you"
'Stop it'
'Stop it'
'Stop it'

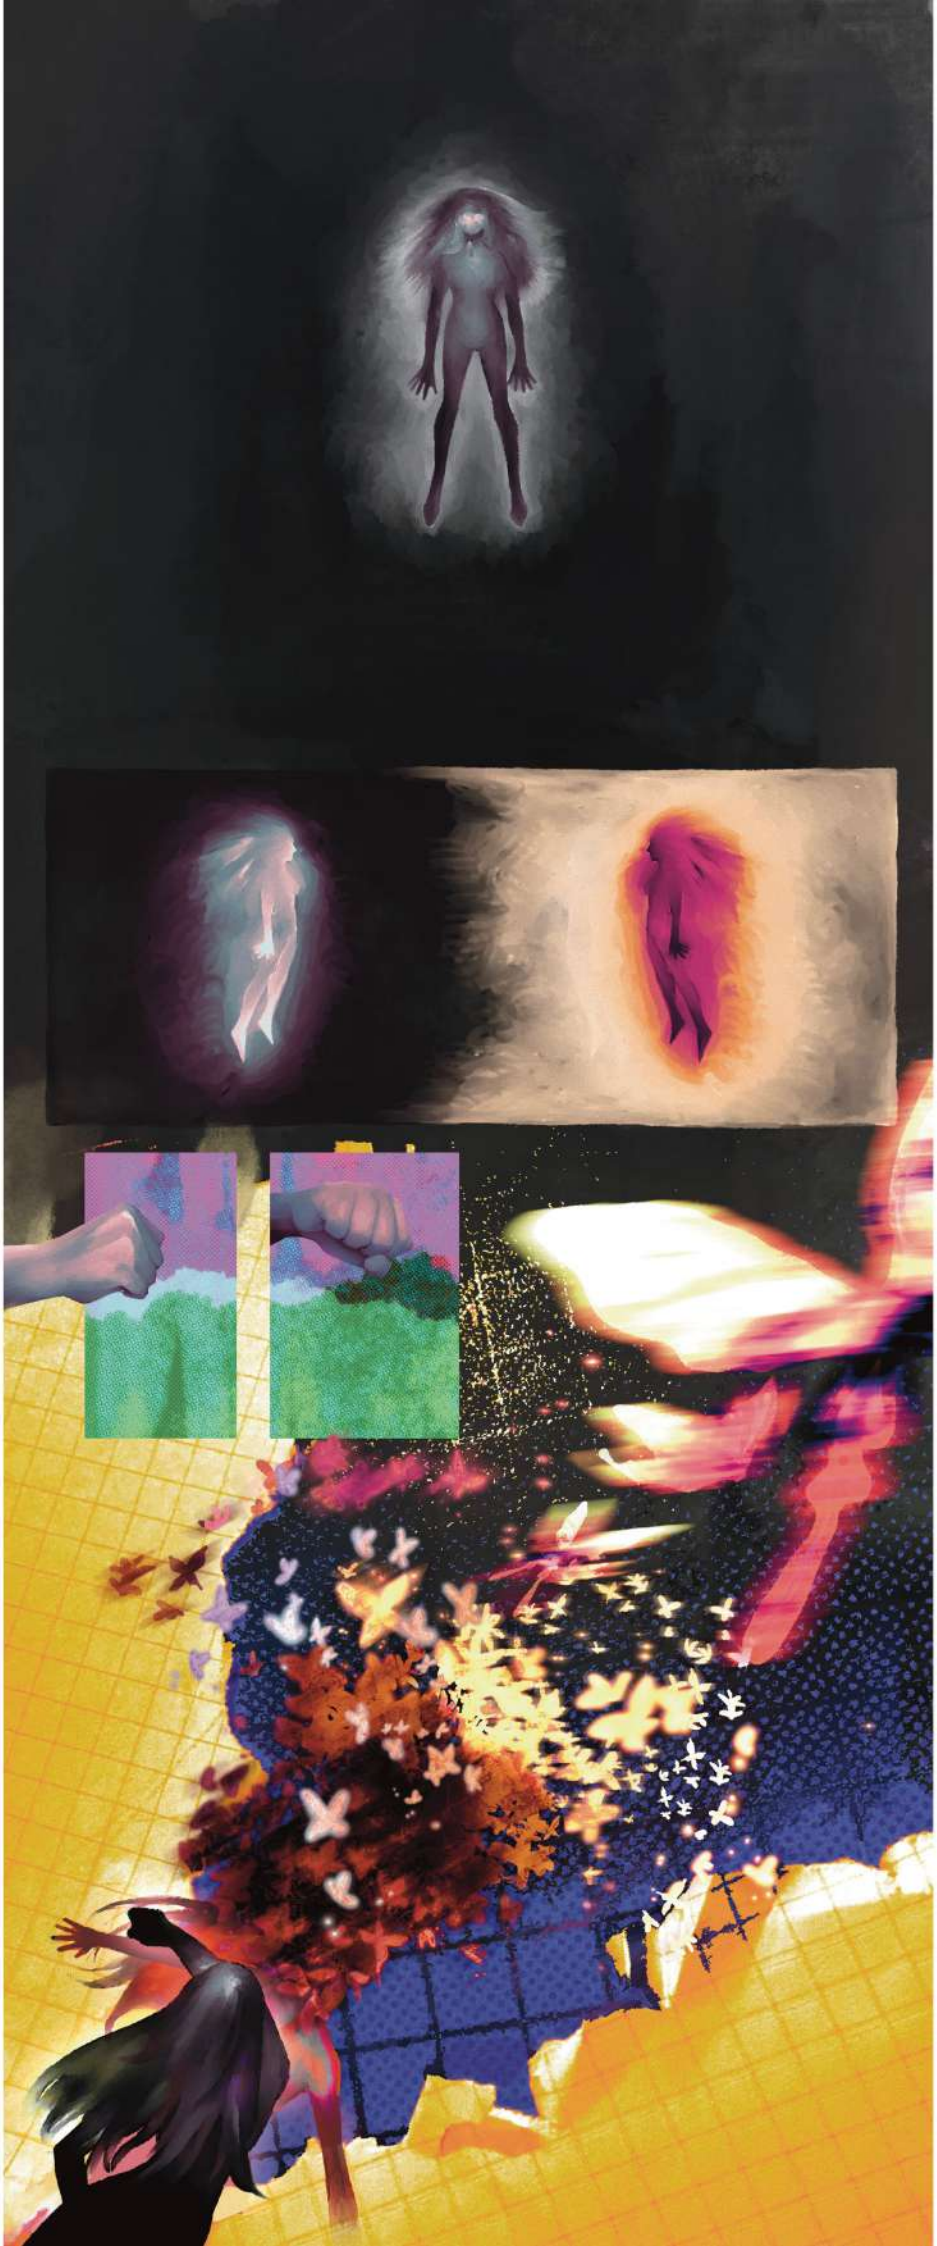
rabbit,
Alice'
guards,
cut off her head'
'Rabbit'
'Guilty'
'Alice
sinner,
Alice''
'Are you sure
No I'm Alice,
Stop it!
I'm Alice
Shut up!
you're the real
Alice?'
'Ah, you haven't
turned into a doll
yet'

if you are real Alice
'Why are you still here?'
'Why,
Alice'



'If you weren't a rabbit'
'If you weren't a sinner'
'If you're Alice,
why you can't get out?'
Alice,
Alice

Do you know Alice,
if a dream is real enough,
it's hard to know you're dreaming,
but
when one thinks there's a difference
between what's real
and what's not,
there's already a problem.
So yeah, what do you think, Alice.



Alice.
