ME WITHOUT YOU

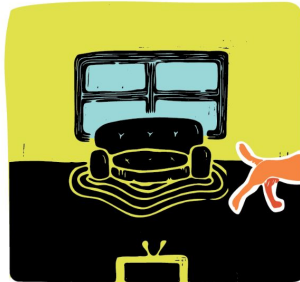

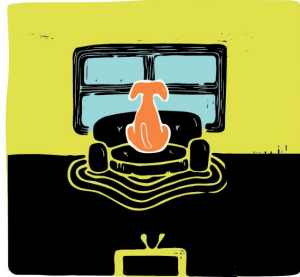

BRoFOZ

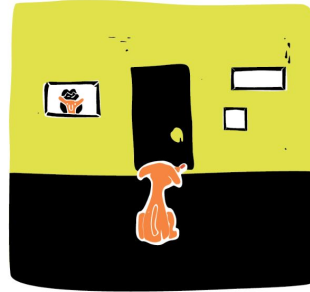

FOR ME, FROM ME, TO YOU.

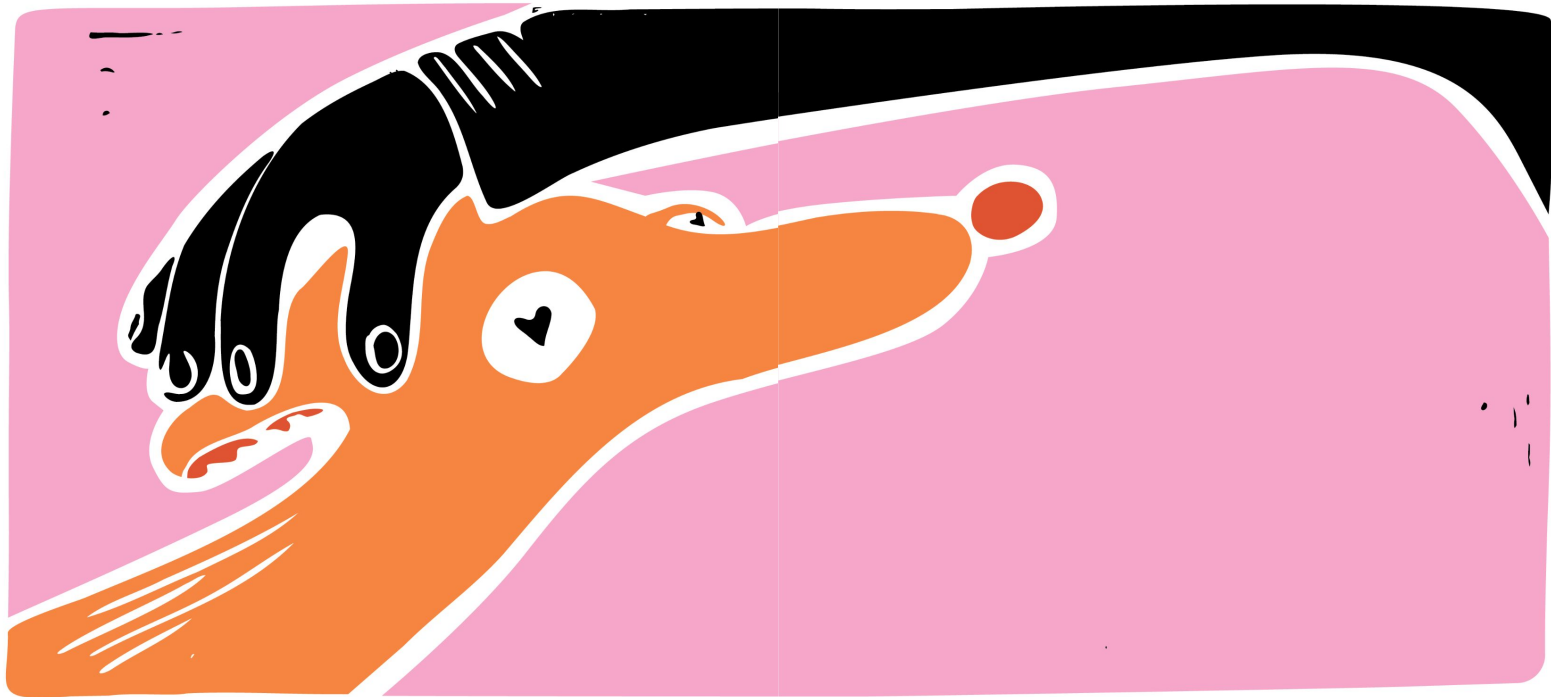

All day I wait

for you.

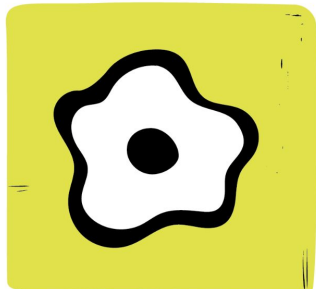

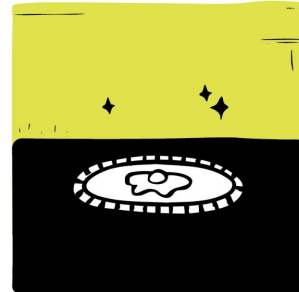

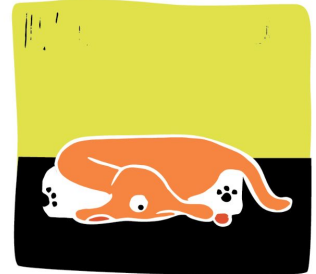

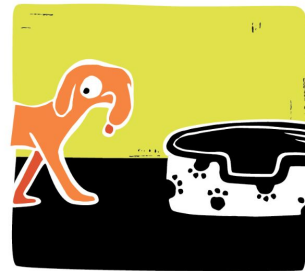

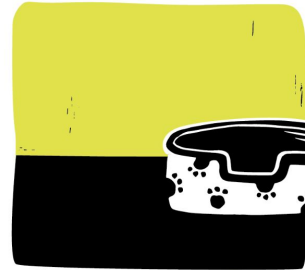

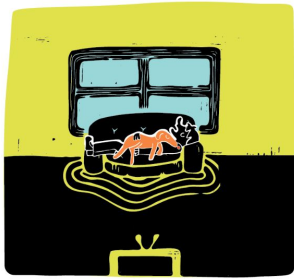

I like to walk

and eat

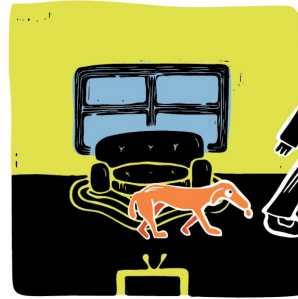

and sleep

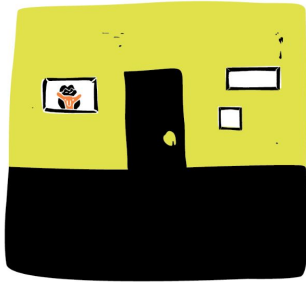

and follow

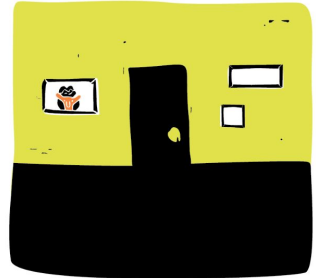

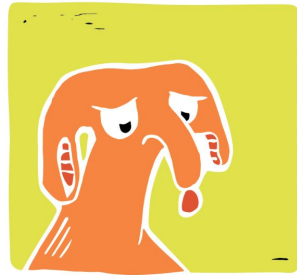

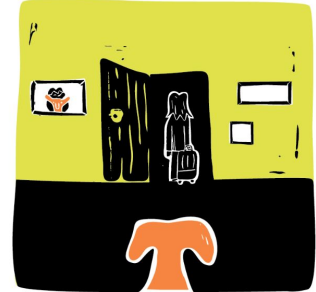

until I can't

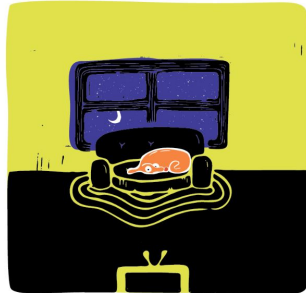

follow you

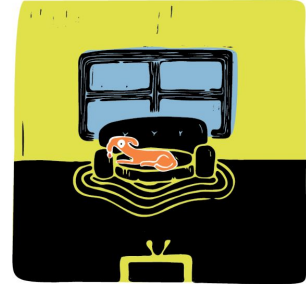

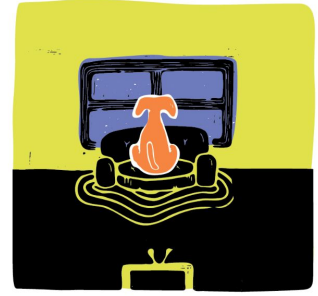

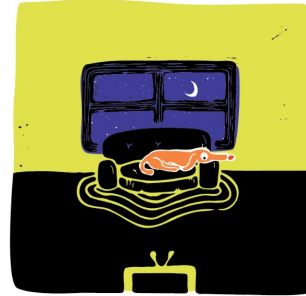

anymore.

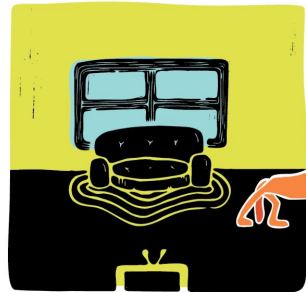

So I wait

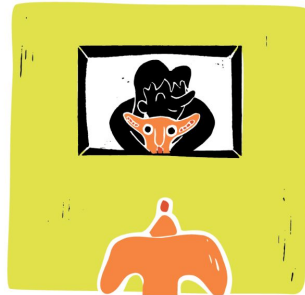

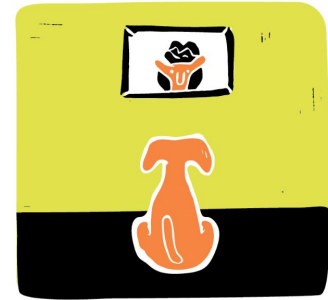

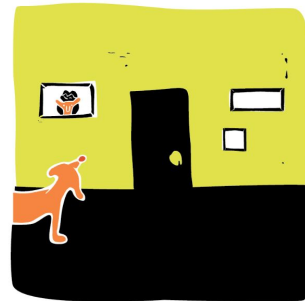

and think

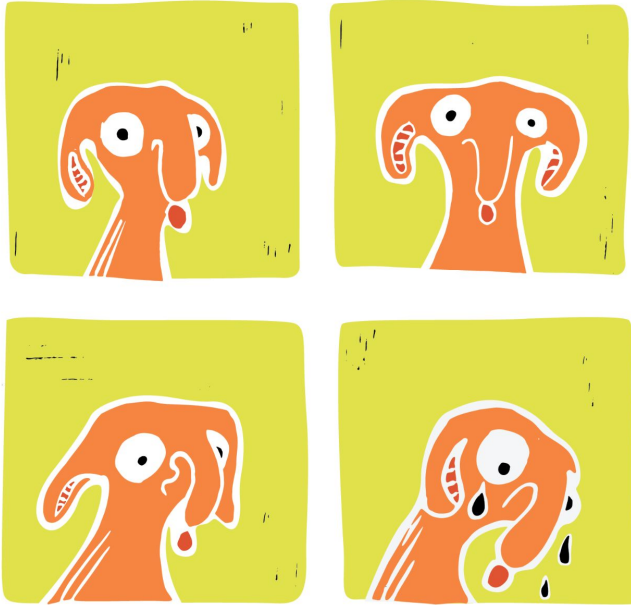

and wait

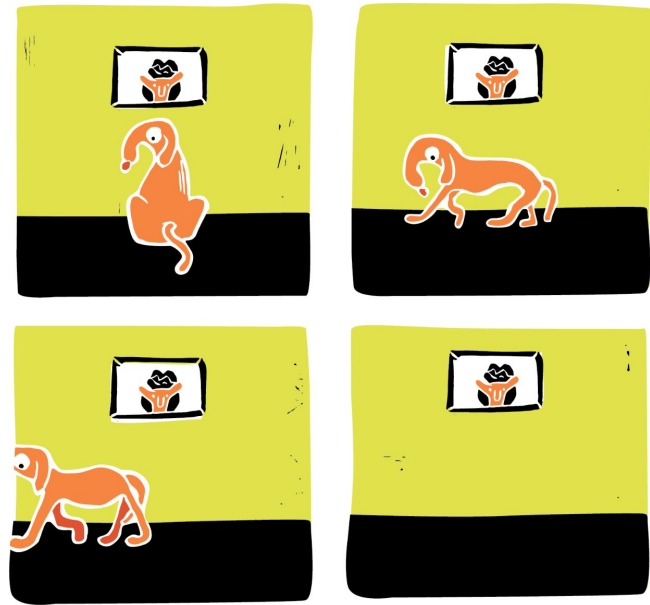

and remember

but sometimes

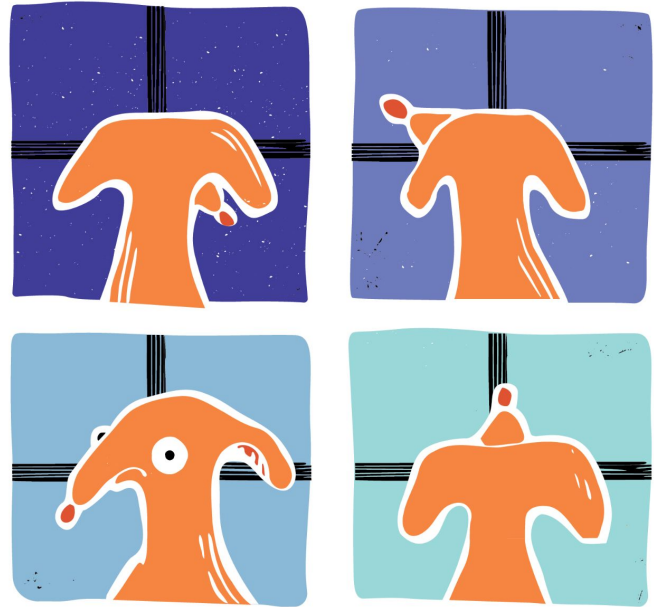

that part hurts.

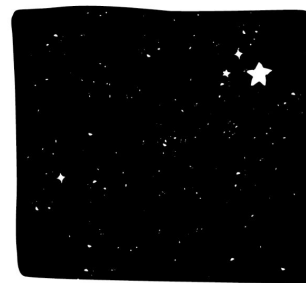

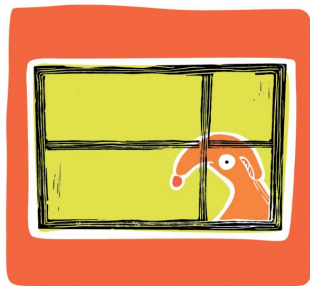

I'm not sure

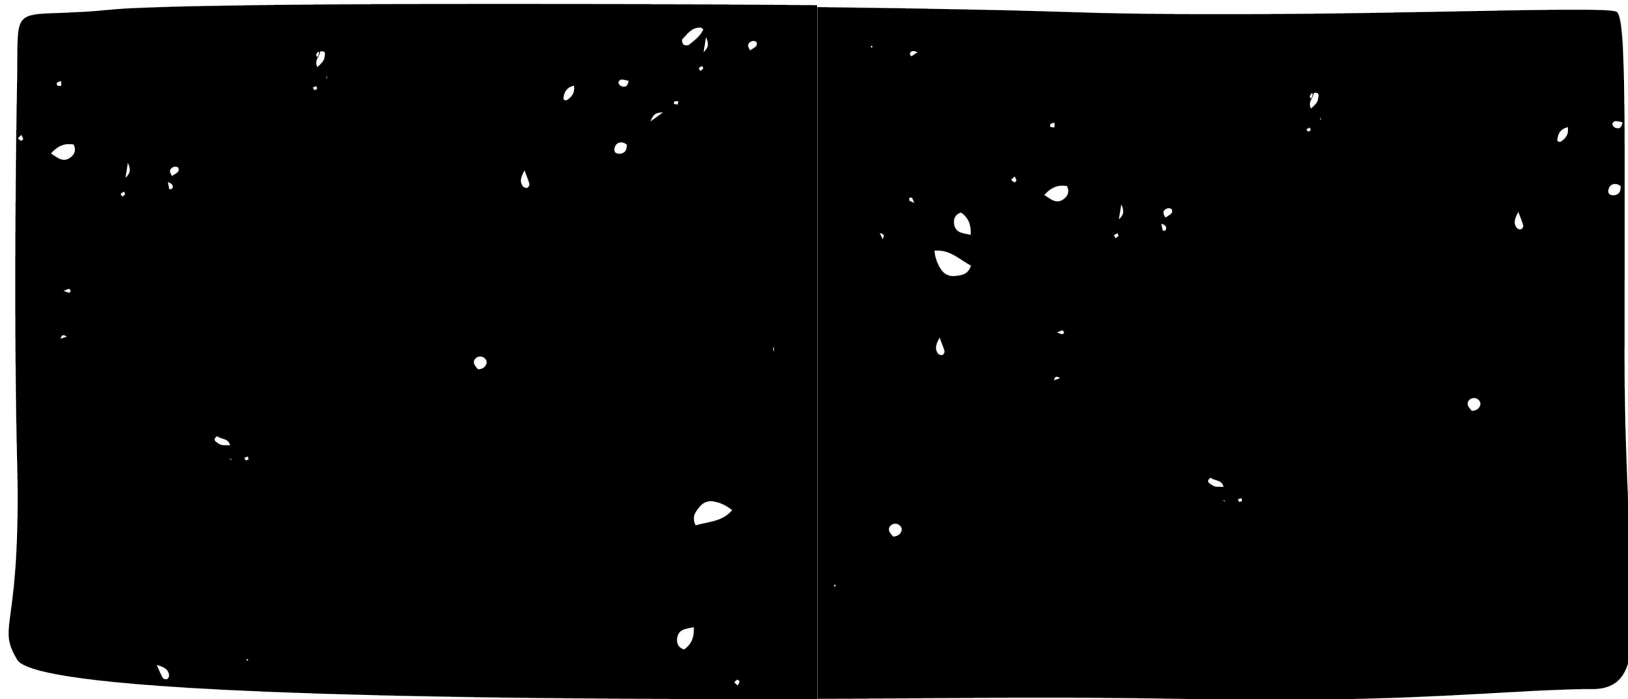

how to be me

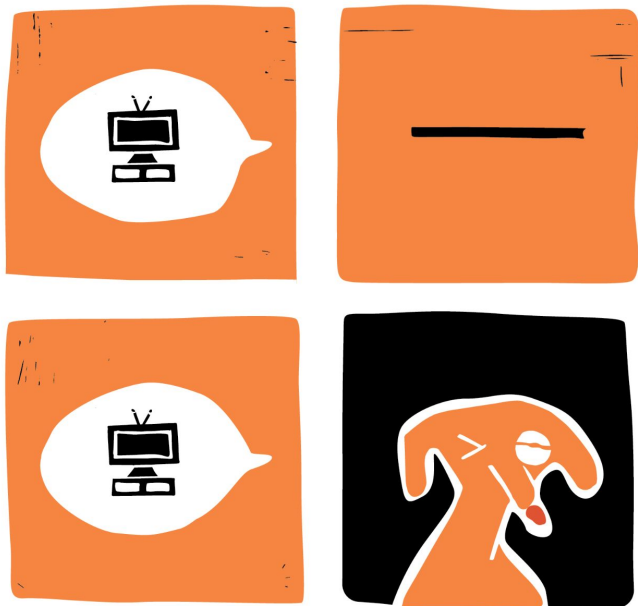

without you.

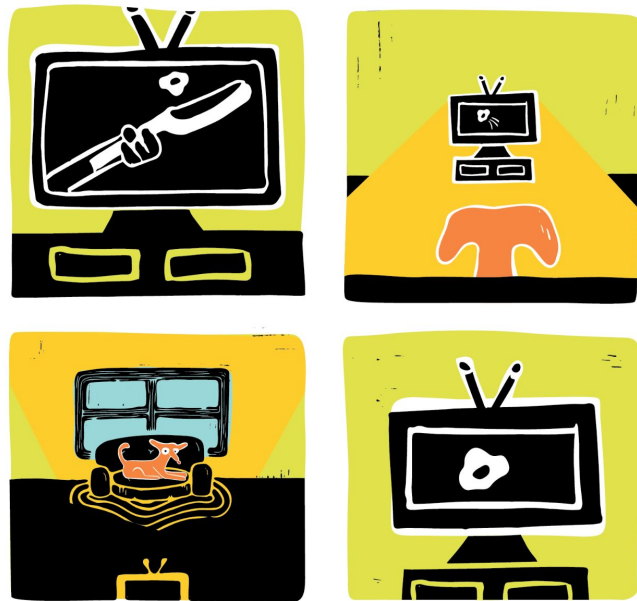

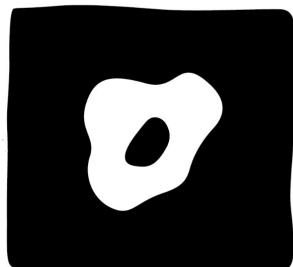

Until I wake

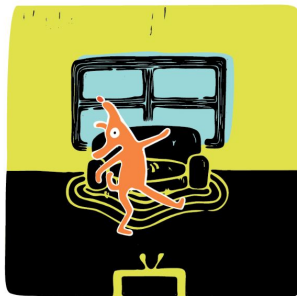

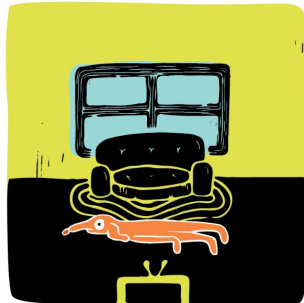

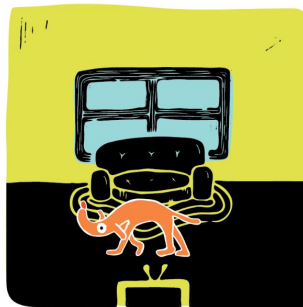

to something light

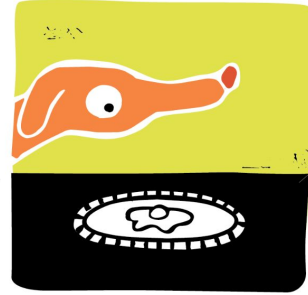

and could no longer wait.

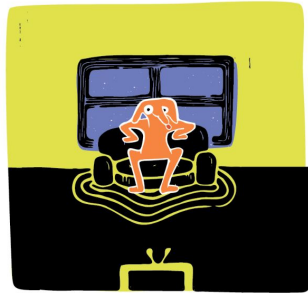

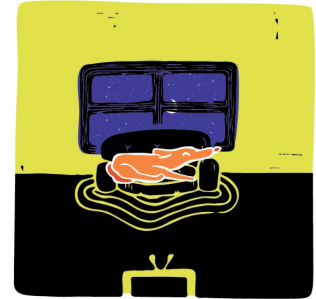

I wanted to walk.

I wanted to eat.

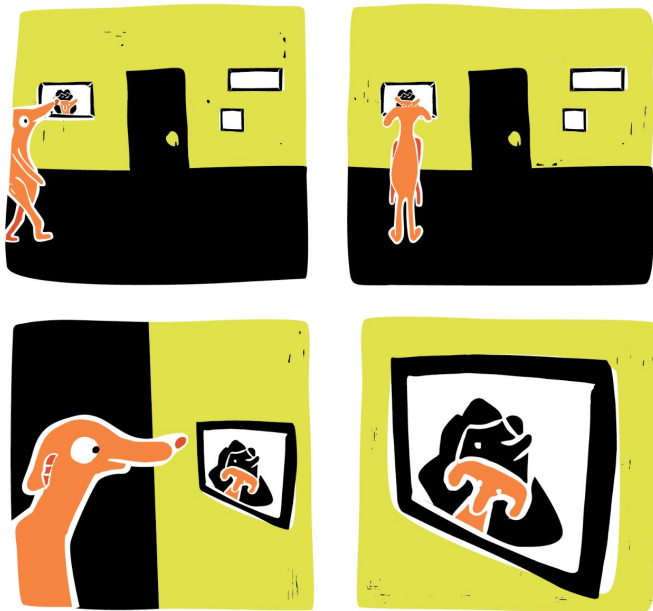

I wanted to sleep.

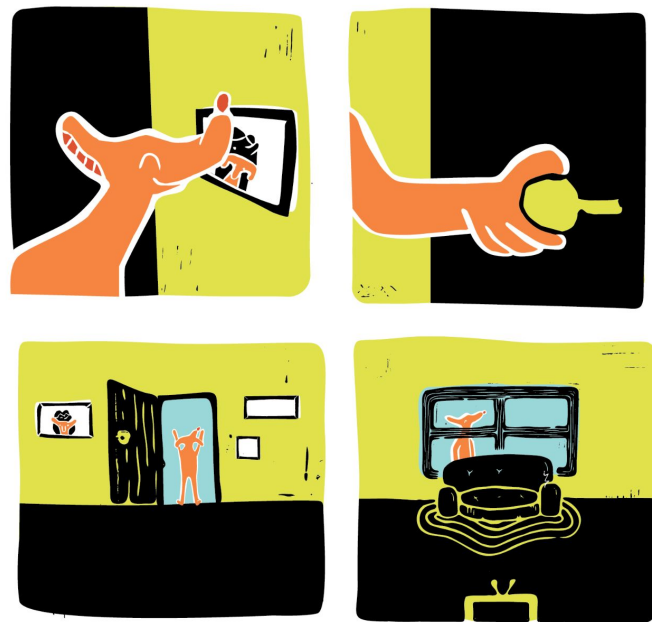

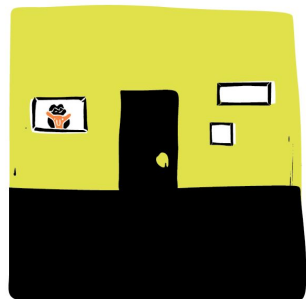

And even though it hurts

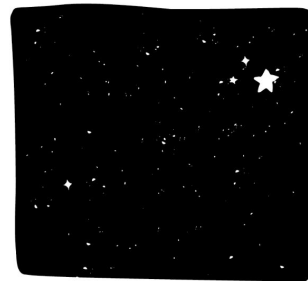

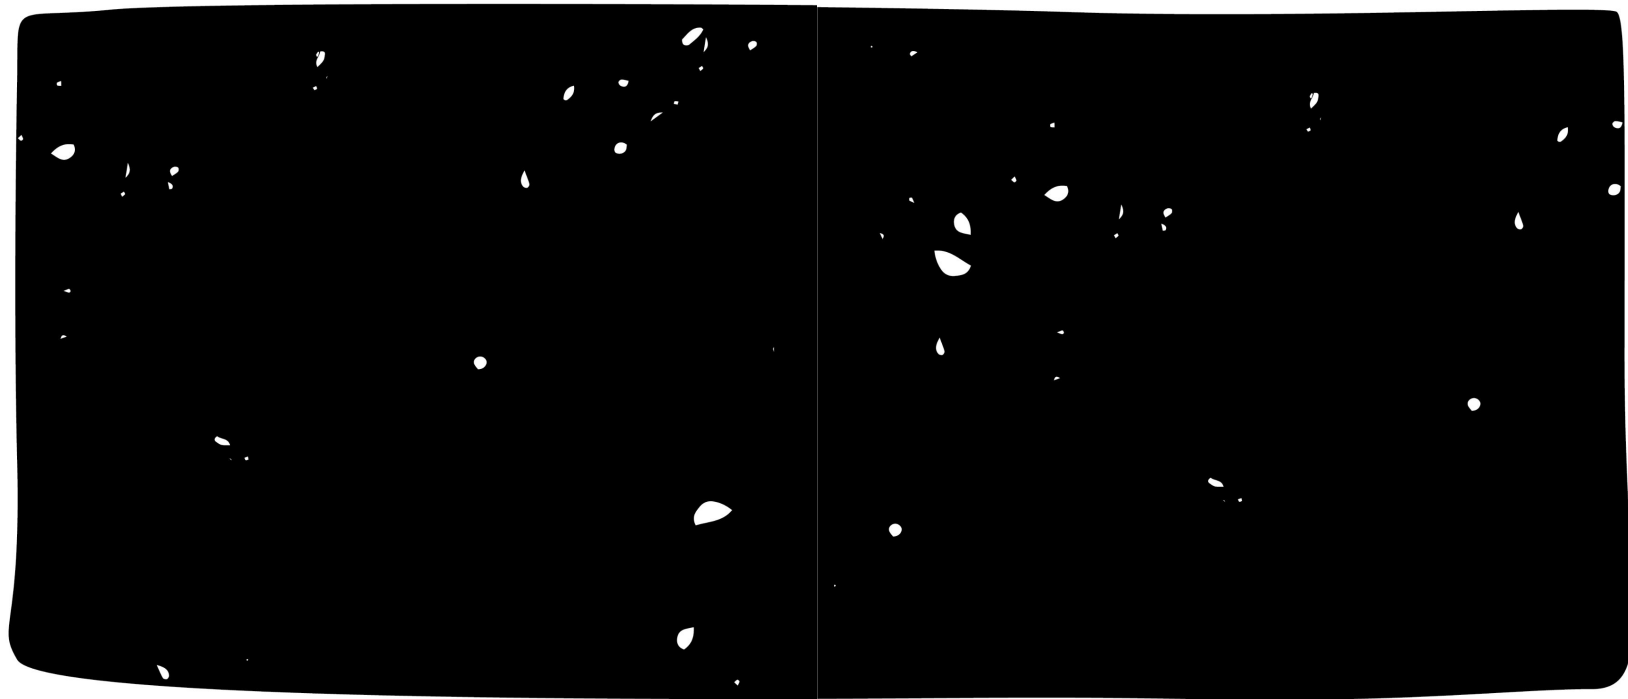

I want to remember.
